Save The Cookies! A Music Escape Room

Your music teacher Mrs Green was SO happy with the way you performed at the school concert last night that she's decided to bake the class a delicious batch of double choc-chip cookies to celebrate. But hold on...Mrs Green has been called to speak to the principal, leaving the cookies baking in the school kitchen and you've just discovered the kitchen is locked! Can you break into the room before the cookies are burnt? Solve the clues to open the locks and rescue the cookies before the timer runs out!

Instructions: correctly enter each of the 4 codes to unlock the kitchen and SAVE THE COOKIES!

FOR THE STUDENTS

Step 1:

First open up this [Save The Cookies Google Form](#).

This is where you will enter the lock codes. Keep the form open while you complete the activities.

Step 2:

Open the activities below and complete each one. Once you have completed each activity correctly, you will end up with a code which needs to be entered into the **Save The Cookies Google Form** (above).
