[Dec 16, 12:18 PM] Melissa Locke: The two screens offer is only good in the US.

[Dec 16, 12:18 PM] KatieW: Yes - you can use more than two monitors. Many gamers use 3+!

[Dec 16, 12:18 PM] Melinda Davis: I've heard soundtrap is good for that. Davinci Resolve is free and worked for me.

[Dec 16, 12:18 PM] Jenn Jenkins: @Martha Do you use the grid view (fix) chrome extension? I highly suggest using the extension, so you can see all of your kids and your presentation, if you want.

[Dec 16, 12:19 PM] mr_dougcrumpler: facebook live if allowed

[Dec 16, 12:19 PM] Hazel Duff: We're still not allowed to sing in Scotland... not even in small groups :(

[Dec 16, 12:20 PM] Jenn Jenkins: I used to think my husband was excessive building his computer with 3 monitors. Now, I get it!

[Dec 16, 12:20 PM] Jennifer Hewitt: Love Final Cut Pro!! There is a great educator pack for Mac book for about \$200. Well worth it!,

[Dec 16, 12:20 PM] Martha R: Jenn Jenkins - Yes. I have the fix, but when I present something on my main screen, the presentation takes up most of the screen on my second computer

[Dec 16, 12:20 PM] mr_dougcrumpler: youtube for the live stream with a delay

[Dec 16, 12:20 PM] Martina : Dual monitors have helped a lot. Just so I can prepare what I am about to show students when I share my screen on Zoom.

[Dec 16, 12:20 PM] Sam Talmage: Is final cut only for apple?

[Dec 16, 12:20 PM] Katrina Proctor: These are all wonderful ideas! Another idea for an additional screen is to use sidecar on Mac with an iPad (available on Mac Catalina or higher).

[Dec 16, 12:21 PM] mr_dougcrumpler: OBS is also a free option

[Dec 16, 12:21 PM] Guest2486: would you mind typing the names of those softwares - English is not my first language. thank you!

[Dec 16, 12:21 PM] Pamela Rae: I recorded each class performing their concert piece, put together a Google slide presentation with their group and individual photos along with their songs and transition slides. Then I Screencastified the presentation and post the link to the video in the Class Story in Dojo. It's not polished or fancy, but it is better than nothing!

[Dec 16, 12:21 PM] Curtis McGill: OBS will stream to multiple platforms.

[Dec 16, 12:21 PM] Mark Dishong: Google Live Stream works also.

[Dec 16, 12:22 PM] Curtis McGill: In Windows I do some video work with DaVinci Resolve and with iOS I really like LumaFusion

[Dec 16, 12:22 PM] Joe Finnegan: Greetings from Wausau, wi

[Dec 16, 12:22 PM] Katrina Proctor: Final Cut Pro is only for Apple, but there are some windows alternatives I'm sure Katie can speak to. I'll have her follow up.

[Dec 16, 12:22 PM] Paul Michael: Since OBS is open source, my district won't allow me to use it.

[Dec 16, 12:23 PM] Paul Michael: Adobe Premier Pro is great for PC. You can get the whole Adobe Creative Cloud service for \$20 a month as a teacher (for the first year I believe).

[Dec 16, 12:23 PM] Jenn Jenkins: @Martha So you are logging in to the Meet twice? Hm. I just log in once and present from there. I see all of the students, even if I put the presentation in the grid.

[Dec 16, 12:23 PM] Guest4467: Thank you, Katrina!

[Dec 16, 12:23 PM] Curtis McGill: Instead of OBS, VMix is another option that has a free and paid version for streaming.

[Dec 16, 12:23 PM] Pamela Rae: Question: will we be able to watch this webinar again later? So Much Great Info! hard to absorb it all.

[Dec 16, 12:23 PM] Paul Michael: The biggest issue with those programs is that you have to make sure your computer can handle it.

[Dec 16, 12:24 PM] Katrina Proctor: Pamela, yes! It will be posted on Katie's Youtube Channel sometime tomorrow :)

[Dec 16, 12:24 PM] Keith Simmons: anything like that always comes down to how every kid has a different tech setup

[Dec 16, 12:24 PM] mr_dougcrumpler: direct ethernet cables required

[Dec 16, 12:24 PM] mr_dougcrumpler: yep

[Dec 16, 12:25 PM] Jenn Jenkins: @Paul Agreed.

[Dec 16, 12:25 PM] Shelley Droe: Anyone out there using Bandlab and having issues with it being slow at times? I'm wondering if it is a problem in my school or at certain times maybe there are more students online that slows it down. Or maybe Bandlab is having exponential growth and can't handle it? Especially with collaboration. I gave up on that.

[Dec 16, 12:25 PM] Beth - Michigan: Question for Pamela Ray: How do you have your students do group singing? or, are they performing individually?

[Dec 16, 12:25 PM] mr_dougcrumpler: Try rehearsing parts and recording using asynchronous style with soundtrap possibly

[Dec 16, 12:26 PM] Debbie Gold: @Shelley -- YES! BandLab collab was a mess for my students.

[Dec 16, 12:26 PM] Martha R: Jenn Jenkins - Yes. I open Google Meet on one laptop and then join the same Meet on another so that I can see the students while I am presenting.

[Dec 16, 12:27 PM] mr_dougcrumpler: too bad there couldn't be a SMPTE SYNC via the internet.

[Dec 16, 12:27 PM] mr_dougcrumpler: exactly!

[Dec 16, 12:27 PM] Shelley Droe: Thanks @Debbie-right move to take collab. away I guess.

[Dec 16, 12:28 PM] mr_dougcrumpler: too much social media elements for younger kids

[Dec 16, 12:28 PM] Debbie Gold: Upbeat Music App is AWESOME for creating those collab videos super quickly and cheaply. Just for having the kids hearing themselves together

[Dec 16, 12:28 PM] Nix: Katie spoke about Stream... something - any ideas what that was (before Jamkazam discussion)

[Dec 16, 12:28 PM] Guest2805: I've been using Jamulus for my adult choir, but I agree with Katie about it not being useful for kids

[Dec 16, 12:29 PM] mr_dougcrumpler: you can change the grid settings to a larger number. Then use a second device.

[Dec 16, 12:29 PM] Martha R: AMY - Can you minimize the presentation portion of the second screen?

[Dec 16, 12:29 PM] Guest7298:Nix: Streamyard

[Dec 16, 12:29 PM] Mercedes Romero: Streamyard @Nix

[Dec 16, 12:29 PM] Guest5975: Use Chrome Tab, use 2nd device to see if you are presenting,

[Dec 16, 12:29 PM] singinglady14: @Nix - Streamyard. It's a great service.

[Dec 16, 12:29 PM] Geri Ely: How do you get rid of the feedback?

[Dec 16, 12:29 PM] Jenn Jenkins: With the extension Grid View (fix), you can hide your presentation, so you can see all of the kids without your presentation. Or you can include the presentation in the grid but still see all of them.

[Dec 16, 12:29 PM] Nix: Thanks Mercedes!

[Dec 16, 12:30 PM] Lori B: Do you login with the same username? I use Teams

[Dec 16, 12:30 PM] Beth H: Asheville NC middle school

[Dec 16, 12:30 PM] mr_dougcrumpler: I wish I could share only audio vs. audio and video

[Dec 16, 12:30 PM] Nix: Thanks Singing Lady :)

[Dec 16, 12:30 PM] Mary Ender Stutesman: To get rid of the feedback (on zoom) I disconnect from audio on one of my devices

[Dec 16, 12:30 PM] Martha R: We have the extension, but it doesn't get rid of the presentation box

[Dec 16, 12:31 PM] Jenn Jenkins: YES YES YES!!! The extension is so much better. We have Enterprise, but I am still able to use it. I have noticed I now cannot get to the advanced settings though.

[Dec 16, 12:31 PM] Jenn Jenkins: Google missed the mark with grid view and breakout rooms. I even use the breakout rooms extension.

[Dec 16, 12:31 PM] Katrina Proctor: Feedback can also happen if your volume is on, on both devices. Plug in headphones on one of your devices and make sure your second device is muted.

[Dec 16, 12:31 PM] Katrina Proctor: @Jenn Jenkins: ABSOLUTELY!

[Dec 16, 12:32 PM] Debbie Gold: My kiddos go WILD for kahoot!

[Dec 16, 12:32 PM] Paul Michael: A great way to share JUST audio is invest in an audio interface, like a mixer board with USB. I have a smaller Behringer mixer that's just over \$100. I use at home. At school I have a 15 channel Behringer mixer with USB. I can connect mics, other audio sources, etc.

[Dec 16, 12:32 PM] Sam Talmage: Can you do large group digital bingo?

[Dec 16, 12:32 PM] Paul Michael: Focusright also sells a great 2-channel audio interface

[Dec 16, 12:33 PM] Hello: Yes it is awesome...it is just that my kids who use ipads and tablets have to be switching between screens so it takes up some more time

[Dec 16, 12:33 PM] Michele Moore: I am having a lot of problems with audio playing music on Google Meet. I'm not sure if it's a Lenovo issue or a Google Meet issue. Any suggestions?

[Dec 16, 12:33 PM] Debbie Gold: My school does a lot of "Spotlight Dance", which works kinda like a kiss cam at a baseball game. Host spotlights folks who are dancing!

[Dec 16, 12:33 PM] Jenn Jenkins: @Martha Go to Advanced settings (hover over the grid box then click on "view advanced settings". You can then choose to keep your presentation in the grid or not.

[Dec 16, 12:34 PM] Guest9819: I've done Kahoot on iPad with split screen. I taught the students how to do split screen first, and then we started the game.

[Dec 16, 12:34 PM] mr_dougcrumpler: You may be able to do something with the Nearpod tools as well

[Dec 16, 12:34 PM] Mary Ender Stutesman: What is the bingo site?

[Dec 16, 12:34 PM] Guest7298: So much happening in chat window! Will it be saved / available later so we can concentrate on presentation but not miss the great info here as well, please?

[Dec 16, 12:34 PM] Martha R: Michele Moore - You have to be sure to share the tab only and be sure that your microphone on your computer is turned off.

[Dec 16, 12:34 PM] Shelley Droe: been loving bingo baker

[Dec 16, 12:34 PM] Charis: @Debbie Gold I love the idea of the "Spotlight Dance"!

[Dec 16, 12:35 PM] Mercedes Romero: @Mary Ender Stutesman - Bingo Baker

[Dec 16, 12:35 PM] Shelley Droe: I agree-would love a copy of the chat if possible?

[Dec 16, 12:35 PM] Nix: Me too please Katie :)

[Dec 16, 12:35 PM] Mercedes Romero: <https://bingobaker.com/>

[Dec 16, 12:36 PM] Katrina Proctor: Shelly, I will make a note to save a chat file. I'll add it to the Wakelet once we're done :)

[Dec 16, 12:36 PM] Debbie Gold: Agree, this chat is full of amazing stuff!

[Dec 16, 12:36 PM] Nix: where was the google form?

[Dec 16, 12:36 PM] Christine Ott: I have not been able to get to the form for the giveaway. Help!

[Dec 16, 12:36 PM] Guest2486: yes, thank you Katrina!

[Dec 16, 12:36 PM] Guest5432: where is the google form?

[Dec 16, 12:36 PM] Anna-Maria Agnello: Great question re - headphones :-)

[Dec 16, 12:55 PM] mr_dougcrumpler: who?
[Dec 16, 12:55 PM] Meg Siebert: <https://www.online-stopwatch.com/random-number-generators/>
[Dec 16, 12:55 PM] Jenn Jenkins: These sites are cute for random generators!
[Dec 16, 12:56 PM] Anna-Maria Agnello: Congrats!
[Dec 16, 12:56 PM] Guest1277: I love the sound affects
[Dec 16, 12:56 PM] Shelley Droe: Yay Christine!
[Dec 16, 12:56 PM] Jenn Jenkins: Woo hoo! Christine!
[Dec 16, 12:56 PM] Christine Ott: Yeah! That's me!
[Dec 16, 12:56 PM] mr_dougcrumpler: you could do this for the family activity at the school
[Dec 16, 12:56 PM] Guest1277: good job christine
[Dec 16, 12:56 PM] Guest5432: congrats to all the winners!
[Dec 16, 12:56 PM] mr_dougcrumpler: fundraiser?
[Dec 16, 12:56 PM] Carol Hamrick: Woo-Hoo! Congrats to you!
[Dec 16, 12:56 PM] Nix: Go Christine!;)
[Dec 16, 12:56 PM] Guest1277: Yeah Congrats!!
[Dec 16, 12:56 PM] Amy M. Burns: Congrats @Christine!
[Dec 16, 12:57 PM] Jenn Jenkins: @Mr_dougcrumpler Interesting idea...
[Dec 16, 12:57 PM] sebasalik: The other utility app to check out is Flippity.net. It takes data that you enter into Google Sheets and turns them into games like Jeopardy, Wheel of Names, scavenger hunts, board games, etc. I love using it to create manipulatives that I want to keep as one size.
[Dec 16, 12:57 PM] Guest1277: Amy what are the kid friendly apps for kids in school?
[Dec 16, 12:57 PM] Hazel Duff: Amy, are any of your books available to buy in the UK, and if so, where from? :)
[Dec 16, 12:58 PM] Amy M. Burns: @Guest1277 Depends on your goal for your kids

[Dec 16, 12:58 PM] mr_dougcrumpler: laptop settings
[Dec 16, 12:58 PM] Guest1277: Ok!
[Dec 16, 12:58 PM] mr_dougcrumpler: get a better mic
[Dec 16, 12:58 PM] Deon : Hello KATIE
[Dec 16, 12:58 PM] mr_dougcrumpler: need to turn off the background noise filtering
[Dec 16, 12:58 PM] Guest1277: What if my kids really like Bach? What apps would you suggest for them?
[Dec 16, 12:59 PM] mr_dougcrumpler: mixer will be needed for this
[Dec 16, 12:59 PM] Phil Pegler : Phil Pegler is teaching Primary & Intermediate students in Wellington.
[Dec 16, 12:59 PM] Guest1277: What if my kids really like Bach? What apps would you suggest for them Amy?
[Dec 16, 1:00 PM] mr_dougcrumpler: use direct line devices
[Dec 16, 1:00 PM] Guest1277: what would you suggest?
[Dec 16, 1:00 PM] Amy M. Burns: @guest1277, I would create a virtual choice board with links to various Bach sites. I would also work with Bach's Fight for Freedom. Though an older movie, it gives students some great backstory about his writing. I would then have the students create an ebook with his music and they retell some stories of this life.
[Dec 16, 1:00 PM] Guest1277: Thanks Amy!!!
[Dec 16, 1:01 PM] Guest1277: Your the best!!
[Dec 16, 1:01 PM] DrZwitterZ: Oh Oh I have a question--when showing a youtube video or playing music from essential elements--anything streaming over google meets or zoom the playback of that music or video slows down and gets staticky then speeds up.
[Dec 16, 1:01 PM] Guest2872: Hello from St Louis MO
[Dec 16, 1:01 PM] Guest2872: Thank you for all you do
[Dec 16, 1:02 PM] Guest1277: these questions are good
[Dec 16, 1:02 PM] Guest9304: Hi Katie! I'm Suzanne in Alfred, Ontario in Canada. I' m teaching primary students in Alfred.
[Dec 16, 1:02 PM] mr_dougcrumpler: you have to share tabs in chrome. with windowed applications, you will need something like I show U audio capture app
[Dec 16, 1:02 PM] Guest1277: I defently have a Piano
[Dec 16, 1:02 PM] mr_dougcrumpler: or soundflower
[Dec 16, 1:02 PM] Guest2872: Oh, my name is Sheila!
[Dec 16, 1:02 PM] Amy M. Burns: In Google Meets, sharing tabs is the best. But, you will still have some lag.
[Dec 16, 1:03 PM] Hazel Duff: Thank you Katie and Amy - it's 2am here and I have small kids that will be waking me in a few hours, so I need to get some sleep! It was great to be here 'live' for a bit - will catch up with the rest tomorrow :)
[Dec 16, 1:03 PM] Guest1277: That is true
[Dec 16, 1:03 PM] Amy M. Burns: The conductor in the play-alongs will still lag a bit.
[Dec 16, 1:03 PM] Guest1277: I have gone through all the freezing up thinhs
[Dec 16, 1:03 PM] Dorothy Burgess: HI, I teach piano remotely in Bakersfield, CA.
[Dec 16, 1:03 PM] Pamela P: Yes this issue! Every time I sing or speak, the sound I am sharing stops.
[Dec 16, 1:03 PM] Ariel: Sound question - I know about audio settings in Zoom on a laptop, but there don't seem to be anyway to adjust the same on an iPad (like turning off "Suppress Persistent Background Noise").
[Dec 16, 1:05 PM] Guest1277: Amy do you know the way to fix my two microphones, they are far away from each other but they are feedbacking a lot
[Dec 16, 1:05 PM] Amy M. Burns: Zoom has to be changed in the settings on the laptop.
[Dec 16, 1:05 PM] Anna-Maria Agnello: Thank you for the webinar, Katie - gotta go; classes to teach - wishing you and your loved ones a very Merry Christmas and a Joyous New Year!

[Dec 16, 1:05 PM] Amy M. Burns: Guest1277, if there are multiple devices, then one device needs to be muted. If not, then go into the settings in the device that is controlling the mic to see if you can turn it down.

[Dec 16, 1:06 PM] Guest1277: Ok! I will try they

[Dec 16, 1:06 PM] Sofia: Hi Katie 😊

[Dec 16, 1:06 PM] mr_dougcrumpler: if you are presenting make sure you use headphones

[Dec 16, 1:06 PM] Guest1277: that

[Dec 16, 1:06 PM] Susan G-M: What is the name of the red box?

[Dec 16, 1:06 PM] Guest1277: I don't know

[Dec 16, 1:06 PM] Keith Simmons: focusrite is the brandd

[Dec 16, 1:06 PM] Amy M. Burns: Google Meets is now turning down the sound in the background and as music educators, we need to disable that.

[Dec 16, 1:06 PM] Curtis McGill: Redbox - Focusrite

[Dec 16, 1:06 PM] Susan G-M: Thank you, Keith and Curtis!

[Dec 16, 1:06 PM] Bee: Scarlett

[Dec 16, 1:06 PM] Keith Simmons: they make different models

[Dec 16, 1:06 PM] Curtis McGill: There are several brands that are pretty decent

[Dec 16, 1:07 PM] mr_dougcrumpler: any interface can work presonus or focusrite

[Dec 16, 1:07 PM] Keith Simmons: I just have the one xlr and plug in for guitar

[Dec 16, 1:07 PM] Debbie Gold: Can you share the name of that microphone you recommended?

[Dec 16, 1:07 PM] Jenn Jenkins: This is the webcam/mic that our district got for each classroom. [https://www.avermedia.com/us/product-detail/PW313\](https://www.avermedia.com/us/product-detail/PW313)

[Dec 16, 1:08 PM] Guest2872: I learned that the hard way - lol

[Dec 16, 1:08 PM] Curtis McGill: Behringer Uphoria, Presonus are also reliable audio interface devices

[Dec 16, 1:08 PM] Karen Hayslip: Will the slides be available later?

[Dec 16, 1:09 PM] Amy M. Burns: @Karen yes

[Dec 16, 1:09 PM] Rebecca d'Alessio: I'm good with sharing internal tab sound and using an external mic...but I want to use them together without lag! I have a presonus audiobox iOne, but I can't figure out any way that it might help me play along live with the internal sound without lag...

[Dec 16, 1:09 PM] Bee: Except when I put in my USB microphone, then it allows me to share my whole screen and they hear the sound, or they can hear the sound without me even sharing the screen. That's the only available if I use my USB mic

[Dec 16, 1:09 PM] Guest1277: Is Incredibox appropriate for kids because the people have no shirts on.

[Dec 16, 1:09 PM] Jenn Jenkins: If you want to sing along with the recording you are sharing, you cannot share directly from the computer as the timing will be off. I usually share a Chrome Tab (Meet); however, if I want to play something on Garageband or an mp3 and sing along with it, I let it play through my computer and picked up by the usb mic/webcam.

[Dec 16, 1:09 PM] mr_dougcrumpler: you can use soundflower and audacity to monitor

[Dec 16, 1:10 PM] Curtis McGill: DAW

[Dec 16, 1:10 PM] mr_dougcrumpler: Soundflower is free

[Dec 16, 1:11 PM] Amy M. Burns: @Guest1277 Incredibox- I tell the students that they are at the beach. That usually stops any conversation about it.

[Dec 16, 1:11 PM] mr_dougcrumpler: <https://support.apple.com/en-us/HT202000>

[Dec 16, 1:11 PM] Jenn Jenkins: 🙌 Amy!

[Dec 16, 1:12 PM] Lori B: Thanks Amy! 😊

[Dec 16, 1:15 PM] Kelley Kennedy: :(I've had problems on one device, but usually am ok if I have two...
[Dec 16, 1:15 PM] Guest1277 rose: Amy is blackhole a app or website?
[Dec 16, 1:16 PM] Jenn Jenkins: @Candace It is usually a wifi connection issue.

[Dec 16, 1:32 PM] Amy M. Burns: WeVideo can screen record as well.

[Dec 16, 1:32 PM] Guest1277 rose: Amy I love your new book

[Dec 16, 1:32 PM] Charis: @Jenn Jenkins....you need to purchase it...it's about \$10 and includes the slides of the playalong, the advanced playalong video for your older students and the "behind the scenes" video. It was well worth it.

[Dec 16, 1:32 PM] Guest4467: thank you

[Dec 16, 1:32 PM] Jenn Jenkins: I started with screencast-o-matic originally. I like Loom, because it connects with Gmail to reply with a video. People love getting a video!

[Dec 16, 1:33 PM] Shelley Droë: Go Dorothy!!!

[Dec 16, 1:33 PM] Amy M. Burns: Cameron has free+ items, so the more advanced versions and behind the scenes are paid options.

[Dec 16, 1:33 PM] Nix: Congrats Dorothy! :)

[Dec 16, 1:33 PM] Jenn Jenkins: @Charis Can you point us in the right direction?

[Dec 16, 1:35 PM] Lynn Johnson: My students love using the green screen at school! We use it with our daily announcements!

[Dec 16, 1:35 PM] Guest1277 rose: The green screens that wrinkle up actually the wrinkles make your background look wrinkely

[Dec 16, 1:36 PM] Guest1277 rose: Good Job Barbra

[Dec 16, 1:38 PM] Juanda: Thank you Jenn- Now I recognize his work.
[Dec 16, 1:38 PM] Guest1277 rose: Thanks Amy!
[Dec 16, 1:39 PM] BarbT: So excited!!
[Dec 16, 1:39 PM] Jenn Jenkins: Why is audio only so hard to add????
[Dec 16, 1:39 PM] Guest9531: seriously
[Dec 16, 1:40 PM] Guest1277 rose: I guess they aren't lying when they say Midnight music
[Dec 16, 1:40 PM] Jenn Jenkins: Would LOVE to add audio only into a Google Form, for example.
[Dec 16, 1:41 PM] Guest1277 rose: What if my kids really like Bach? What apps would you suggest for them?
[Dec 16, 1:41 PM] Jenn Jenkins: @Guest1277 🙌🙌
[Dec 16, 1:41 PM] Guest6422: Where can we find the video with four different ways to sing along with a video please?
[Dec 16, 1:41 PM] Guest1277 rose: :P
[Dec 16, 1:41 PM] Shelley Droegemeier: Amy Burns. How are you still standing?
[Dec 16, 1:42 PM] Guest1277 rose: i think she is sitting on her bed
[Dec 16, 1:42 PM] Kristine Sutkowski McDonald:

[Dec 16, 1:42 PM] Nancy Von Wald: That is a no- you have to use the link button to upload the audio
[Dec 16, 1:42 PM] Guest6422: Thank you!
[Dec 16, 1:43 PM] Guest1277 rose: seesaw is the best
[Dec 16, 1:43 PM] Guest1277 rose: best
[Dec 16, 1:43 PM] Kelsey R: So excited for both of those courses! Thanks, ladies!
[Dec 16, 1:43 PM] Nancy Von Wald: Yes Seesaw is the best- use it everyday!!!
[Dec 16, 1:44 PM] Guest1277 rose: Well maybe use it always for you kids
[Dec 16, 1:44 PM] Guest1277 rose: Kids really enjoy seesaw, the app and the thing
[Dec 16, 1:44 PM] Lynn Johnson: Seesaw is AMAZING! My students enjoy using it!
[Dec 16, 1:44 PM] mr_dougcrumpler: nothing you can do
[Dec 16, 1:44 PM] Macarmen Andrade: I'm a co-teacher in Seesaw and I sent a video assignment to my students, is there a way to go just to my music folder to download that specific assignment? Or do I have to download all the assignments from all the subjects.
[Dec 16, 1:44 PM] Macarmen Andrade: Thanks for this webinar
[Dec 16, 1:45 PM] mr_dougcrumpler: yep
[Dec 16, 1:45 PM] Karen Pace: Heather, use Screencastify
[Dec 16, 1:45 PM] DrZwitterZ: I've had people remove their videos--why put them out there in public if you want to take them down for copyrights
[Dec 16, 1:45 PM] YvonneSoCal: yout.com
[Dec 16, 1:46 PM] mr_dougcrumpler: try vimeo

[Dec 16, 1:46 PM] Juanda: Hey Jenn- Katie did give a couple of ways to put music into google forms. I used them both. One- You can just press and it will play but only lasts for 90 days. (I think it is Talk and comment) Then there was one that when you press it, it takes you outside the form to listen to it. I don't remember that name.

[Dec 16, 1:46 PM] Nancy Von Wald: Answer to the Seesaw questions- It depends on how your school set up Seesaw.

[Dec 16, 1:46 PM] Jennifer Hewitt: Why are some videos not allowed to be viewed through google slides? It often says that the creator didn't allow it to be used in a different area. I'll follow these tips though, but it's annoying!

[Dec 16, 1:46 PM] Guest1277 rose: ha ha

[Dec 16, 1:47 PM] Guest1277 rose: Amy can people randomly flag your video on YouTube for no reason????

[Dec 16, 1:47 PM] Shelley Droe: Ok....so this videos not playing in Google Classroom is the same problem as slides? After a certain time, it will go away...

[Dec 16, 1:47 PM] Kelley Kennedy: Does that Google Drive video issue apply if you are embedding the video somewhere else (we use canvas)

[Dec 16, 1:47 PM] Guest1277 rose: Amy can people randomly flag your video on YouTube for no reason????

[Dec 16, 1:48 PM] Martha R: If you add a video (like an animated background) to a Google Slide, how do you add a text box over the animation?

[Dec 16, 1:49 PM] Nix: yes you can

[Dec 16, 1:49 PM] Guest1277 rose: Amy thanks for answering

[Dec 16, 1:49 PM] Shelley Droe: Any Bandlab users please check out my new youtubechannel (still working on it)

https://www.youtube.com/channel/UCOHm9IOAjoHZosX_ptnjC-g please subscribe :)

[Dec 16, 1:49 PM] mr_dougcrumpler: Educators should have a special YT account to exempt us from using files for education purposes.

[Dec 16, 1:49 PM] Guest1277 rose: If you put on christmas music on a YouTube channel do you get copywrighted

[Dec 16, 1:49 PM] Curtis McGill: YT will shut down streams for copyrighted music.

[Dec 16, 1:49 PM] Guest1277 rose: or flagged?

[Dec 16, 1:50 PM] Guest1277 rose: Oh

[Dec 16, 1:50 PM] Curtis McGill: Churches and other groups have run into that problem with their live streams.

[Dec 16, 1:50 PM] mr_dougcrumpler: use 30% or less

[Dec 16, 1:50 PM] Guest1277 rose: Thats true

[Dec 16, 1:50 PM] Amy M. Burns: Agrred @mr_dougcrumpler

[Dec 16, 1:50 PM] Amy M. Burns: Agreed!

[Dec 16, 1:50 PM] Guest1277 rose: they use peaceful music that is church music and get copywrighted

[Dec 16, 1:50 PM] Guest1277 rose: Its not fun

[Dec 16, 1:51 PM] Heather: Thank you for answering my question.

[Dec 16, 1:51 PM] mr_dougcrumpler: there are settings for that

[Dec 16, 1:51 PM] Jenn Jenkins: @Juanda Yes, I saw that, but the kids would also need to have the extension. No matter what, they would be taken to another site.

[Dec 16, 1:52 PM] Guest1277 rose: these questions are awesome

[Dec 16, 1:52 PM] Shelley Droe: Cool as a cucumber Katie

[Dec 16, 1:52 PM] Jenn Jenkins: So curious why the screen is blurry. Just my slow internet? LOL

[Dec 16, 1:52 PM] Kristine Sutkowski McDonald: loop audio

[Dec 16, 1:52 PM] Shelley Droe: This is what amazes me. When things don't go as planned and you stay so calm and trouble shoot right then and there and fix the issue.

[Dec 16, 1:53 PM] Jenn Jenkins: @Shelley Droe I just joke about it with the kids!

[Dec 16, 1:53 PM] Kelsey R: Does Drive also have limitations on access to uploaded audio files (like it does for videos)?

[Dec 16, 1:53 PM] Guest1277 rose: Yay Giveaways

[Dec 16, 1:54 PM] Nix: Sounds perfect!

[Dec 16, 1:54 PM] Jenn Jenkins: @Amy Would you ever consider sharing your mp3s, so they can be added into our own drive then uploaded to the virtual instrument slides you shared?

[Dec 16, 1:55 PM] Guest1277 rose: It takes A while for audio recordings to even upload

[Dec 16, 1:55 PM] mr_dougcrumpler: put everything into the same shared file folder

[Dec 16, 1:55 PM] Amy M. Burns: @Jenn Yes When we get on break and I will put it in the community.

[Dec 16, 1:55 PM] Guest1277 rose: Yeah that would be great

[Dec 16, 1:55 PM] mr_dougcrumpler: just put a disclaimer on the slide for copyright

[Dec 16, 1:55 PM] Mercedes Romero: It's nearly 3am in the UK, but this is great as always so I'm pleased I'm still here! Thanks ladies you're amazing!

♡

[Dec 16, 1:55 PM] HI from Rebecca: Thank you! Yes, I have since learned that from your last webinar!!! Thank you...folder in Drive :)

[Dec 16, 1:56 PM] KatieW: Yay - well done Rebecca!

[Dec 16, 1:56 PM] KatieW: Oh Mercedes - bed time for you!

[Dec 16, 1:56 PM] mr_dougcrumpler: You have to share it to be edited.

[Dec 16, 1:56 PM] Jenn Jenkins: @Mercedes Romero I am only at 10pm, but I am glad to know that I am not the only one who stays up super late/early! Love your stuff in the community! You are doing awesomestuff!

[Dec 16, 1:57 PM] mr_dougcrumpler: Therefore, copyright is wide open, just write a disclaimer

[Dec 16, 1:57 PM] Guest1277 rose: yesterday my kid asked what age you have to be to get a YouTube account? I dont know what is it

[Dec 16, 1:57 PM] Guest6422: How do we get on Midnight Community Flipgrid forum?

[Dec 16, 1:57 PM] Jenn Jenkins: Yes, my poor kiddo. LOL!!!!

[Dec 16, 1:57 PM] Lynn Johnson: I believe the age for a YouTube account is 13.

[Dec 16, 1:57 PM] mr_dougcrumpler: I struggled with this and there is no workaround other than sharing with all.

[Dec 16, 1:57 PM] mr_dougcrumpler: Google won't fix it

[Dec 16, 1:58 PM] Guest1277 rose: Google was very laggy today

[Dec 16, 1:58 PM] Bee: So what was the workaround for sharing your xylophone page for example?

[Dec 16, 1:58 PM] Amy M. Burns: 13 for Youtube and social media, but they are on much younger!

[Dec 16, 1:58 PM] Jenn Jenkins: 🙏😊

[Dec 16, 1:58 PM] Jennifer Hewitt: Wow!! Thank you for all the amazing resources you've shared!!

[Dec 16, 1:58 PM] Jenn Jenkins: Can you repost the advent calendar?

[Dec 16, 1:58 PM] Katrina Proctor: Sound files and boomwhacker images will ALSO be appearing in this week's Freebie Friday! Make sure you're following the Midnight Music Facebook page :)

[Dec 16, 1:58 PM] mr_dougcrumpler: Use Nearpod. Peardeck is limited

[Dec 16, 1:59 PM] Rebecca d'Alessio: haha, I have *begged* for a student account to check, but it is a no go from my district, apparently. So I am forced to check by using the login of a former student whose email is still active even though she moved away.

[Dec 16, 1:59 PM] Mercedes Romero: @jenn Jenkins Thank you ♡

[Dec 16, 1:59 PM] Amy M. Burns: Advent calendar: <https://midnightmusic.com.au/advent-calendar/>

[Dec 16, 1:59 PM] Guest1277 rose: Oh thanks Amy I need to delete my kids YouTube account now

[Dec 16, 1:59 PM] Guest1277 rose: LOL
[Dec 16, 1:59 PM] mr_dougcrumpler: Stick with nearpod
[Dec 16, 1:59 PM] Keith Simmons: peardeck is a way for you to create a nearpod
[Dec 16, 1:59 PM] mr_dougcrumpler: Edpuzzle is cool too
[Dec 16, 1:59 PM] Rebecca d'Alessio: Pear Deck is amazing, better than Nearpod in my opinion. I like Nearpod, as well.
[Dec 16, 1:59 PM] Guest1277 rose: I think PearDeck is pretty good I have not used Nearpod yet
[Dec 16, 1:59 PM] Keith Simmons: love edpuzzle
[Dec 16, 1:59 PM] Amy M. Burns: @Rebecca - I get that! I asked many times. Now I have two daughters in my school so I can go through their accounts.
[Dec 16, 1:59 PM] Keith Simmons: I love nearpod
[Dec 16, 2:00 PM] Guest1277 rose: ahh Edpuzzle peeeeeeeeeeeeeeeeeerfecy
[Dec 16, 2:00 PM] Jenn Jenkins: Yes @mr_dougcrumpler! EdPuzzle is awesome!
[Dec 16, 2:00 PM] Lynn Johnson: Love Nearpod!
[Dec 16, 2:00 PM] mr_dougcrumpler: Nearpod has an add on in google slides great tool
[Dec 16, 2:00 PM] Keith Simmons: nearpod grades the assignments send you reports
[Dec 16, 2:00 PM] Keith Simmons: integrated in google classroom
[Dec 16, 2:00 PM] DrZwitterZ: I had to run to the Bathroom--is there a pd certificant link?
[Dec 16, 2:00 PM] Guest1277 rose: Amy are you standing up?
[Dec 16, 2:00 PM] Tami Nelson: I just started using Nearpod this year and I love it!
[Dec 16, 2:01 PM] Keith Simmons: you see pictures in nearpod reports of exactly what kids did
[Dec 16, 2:01 PM] mr_dougcrumpler: Kami is good too
[Dec 16, 2:01 PM] Keith Simmons: just started kami
[Dec 16, 2:01 PM] Hello: nearpod is awesome
[Dec 16, 2:01 PM] Amy M. Burns: @Guest1277 I am sitting. My youngest daughter was with me for awhile.
[Dec 16, 2:01 PM] mr_dougcrumpler: Kami is good for worksheets/pdf's
[Dec 16, 2:01 PM] Guest1277 rose: Should I use Kami, Docs, or Slides for homework
[Dec 16, 2:01 PM] Ariel: Mrs. Miracle's Music Room
[Dec 16, 2:01 PM] Keith Simmons: been trying to find a way to write on pdfs
[Dec 16, 2:01 PM] Jennifer Hewitt: I wish Nearpod had better drag and drop options.
[Dec 16, 2:02 PM] Jenn Jenkins: @Keith It grades it??? Is that a paid Nearpod? I don't see that in the free version. But . . . there is a lot more in it compare to Pear Deck.
[Dec 16, 2:02 PM] Keith Simmons: Mrs. Miracle is awesome and she is from oh
[Dec 16, 2:02 PM] Keith Simmons: yes
[Dec 16, 2:02 PM] mr_dougcrumpler: yep]
[Dec 16, 2:02 PM] Katrina Proctor: Keith Simmons: to write on PDF's: Notability or Goodnotes 5 are both excellent.
[Dec 16, 2:02 PM] Guest1277 rose: Amy what is your yougest daughters name???
[Dec 16, 2:02 PM] Keith Simmons: and it has lessons in the main music elements
[Dec 16, 2:02 PM] Caitlin Jakositz: It seems like NearPod doesn't have many music lessons. Am I wrong?
[Dec 16, 2:02 PM] Keith Simmons: melody and rhytnhm is awesome
[Dec 16, 2:02 PM] Keith Simmons: I have found a lot
[Dec 16, 2:02 PM] Guest1277 rose: Amy what is your youngest daughters name?
[Dec 16, 2:02 PM] Amy M. Burns: Last time I checked nearpod, I saw music lessons, especially recorder.
[Dec 16, 2:02 PM] Amy M. Burns: Sarah Guest1277
[Dec 16, 2:03 PM] Guest1277 rose: ok
[Dec 16, 2:03 PM] Keith Simmons: recorder lessons are good

[Dec 16, 2:03 PM] Jenn Jenkins: @Keith It is part of the free version? I have see the free lessons. I just would have to adjust it a lot for my middle school situation.

[Dec 16, 2:03 PM] mr_dougcrumpler: lots of ways to assess

[Dec 16, 2:03 PM] Keith Simmons: instrument families are great

[Dec 16, 2:03 PM] Keith Simmons: the elements are really well done

[Dec 16, 2:03 PM] Guest1277 rose: Sarah must be the cutest one in the family

[Dec 16, 2:03 PM] Katrina Proctor: Nearpod only has a few premade music lessons (but for districts that block youtube, it renders them useless.)

[Dec 16, 2:03 PM] Shelley Droë: Any LKR teachers out there?

[Dec 16, 2:03 PM] Keith Simmons: chrome music lab is fully integrated

[Dec 16, 2:03 PM] mr_dougcrumpler: crank up the audio

[Dec 16, 2:04 PM] Guest1277 rose: bye guys

[Dec 16, 2:04 PM] Keith Simmons: our school blocks some youtube and I have found a workaround for the vids that don't play

[Dec 16, 2:04 PM] mr_dougcrumpler: mp3

[Dec 16, 2:04 PM] mr_dougcrumpler: or mp4

[Dec 16, 2:04 PM] Mary Ender Stutesman: I love LKR but am not a community member

[Dec 16, 2:04 PM] Cathy Bruce: I have done LKR,1 Shelley, but can't this year. No room.

[Dec 16, 2:04 PM] Jenn Jenkins: I haven't seen how Nearpod shows individual students and how to check their work. It was very labor intensive. Maybe I missed something. I see the potential but can't seem to unlock it.

[Dec 16, 2:05 PM] Keith Simmons: open reports

[Dec 16, 2:05 PM] Jennifer Hewitt: @Keith Simmons Chrome music lab is integrated in Nearpod?

[Dec 16, 2:05 PM] Keith Simmons: then click class report

[Dec 16, 2:05 PM] Keith Simmons: it creates a pdf

[Dec 16, 2:05 PM] Bee: Jen, there are different activities that you can have the students do. They do it on their own. Then you'll see what they do on your end

[Dec 16, 2:05 PM] Keith Simmons: lists each student and shows exactly what they did

[Dec 16, 2:05 PM] Neville Talbot: Thanks guys. Gotta go (middle of school day here). Messy christmas to everyone!

[Dec 16, 2:06 PM] Keith Simmons: yes in Rhythm nearpod lesson it starts with Chrome music lab

[Dec 16, 2:06 PM] Jenn Jenkins: @Bee I have seen that, but the management was difficult.

[Dec 16, 2:06 PM] Jenn Jenkins: @Keith Maybe I need to check it out over winter break.

[Dec 16, 2:06 PM] ms powers : i am lkr

[Dec 16, 2:06 PM] Keith Simmons: I keep a notebook for each class so I can keep tabs on my studentws

[Dec 16, 2:06 PM] Shelley Droë: @ms powers 👍

[Dec 16, 2:07 PM] Jenn Jenkins: @Keith I did a rhythmic dictation Nearpod, but I couldn't check the individual kid with all of their work. I had to scroll through each exercise.

[Dec 16, 2:07 PM] Katrina Proctor: I know Nearpod is very interesting for us Music teachers. I'll make a note to Katie to explore it with some tips and tricks for the new year.

[Dec 16, 2:07 PM] ms powers : hey!

[Dec 16, 2:07 PM] Tami Nelson: Check out the teacher resources <https://nearpod.com/resources>

[Dec 16, 2:07 PM] Jenn Jenkins: @Katrina Thank you! I have also seen Classkick, but that is not free.

[Dec 16, 2:08 PM] Keith Simmons: did you pick student report or just class report

[Dec 16, 2:08 PM] Keith Simmons: there are two ways

[Dec 16, 2:08 PM] Macarmen Andrade: Is there a way to split the screen when you send a xylophone assignment in seesaw?

[Dec 16, 2:08 PM] Jenn Jenkins: Hm. I guess class repot, but I don't want to download anything.

[Dec 16, 2:08 PM] Amy M. Burns: Split Screen extension:
<https://chrome.google.com/webstore/detail/split-screen-for-google-c/dnollkdkikklpdganoecjcmmlddbennb?hl=en>

[Dec 16, 2:08 PM] Keith Simmons: ok

[Dec 16, 2:09 PM] Keith Simmons: I save the class reports in my google drive

[Dec 16, 2:09 PM] Keith Simmons: that way I can keep documentation

[Dec 16, 2:09 PM] Jenn Jenkins: On an iPad, best way is in present mode.

[Dec 16, 2:09 PM] Amy M. Burns: @Macarmen If they are on an iPad you have to show them how to split the screen and it does not work all of the time. Chromebooks, show them alt bracket to split the screen.

[Dec 16, 2:09 PM] Jenn Jenkins: @Keith Thanks!

[Dec 16, 2:10 PM] mr_dougcrumpler: make a web page and embed this
<https://youtu.be/2UDkjquWVS4>

[Dec 16, 2:10 PM] Keith Simmons: no prob :)

[Dec 16, 2:10 PM] Macarmen Andrade: Thanks Amy

[Dec 16, 2:10 PM] Kristine Sutkowski McDonald: I needed that in my life!!!

[Dec 16, 2:11 PM] mr_dougcrumpler: play it manually while you screen record it

[Dec 16, 2:11 PM] Keith Simmons: screencastify it

[Dec 16, 2:11 PM] Keith Simmons: or loom

[Dec 16, 2:12 PM] Karen Pace: Sorry, gotta go. Merry musical Christmas everyone!
