[Apr 15, 10:06 AM] martinthomasemo: @brielle, are you using chrome? that should help.

[Apr 15, 10:06 AM] Leanne Delly Vic: Good morning everyone:) Great to be back with you Katie, Martin & Amy!

[Apr 15, 10:06 AM] martinthomasemo: @emma, yes that's what today is about@

[Apr 15, 10:06 AM] Karen Jones: Sorry I'll slip out as I have a lesson to give at 1pm, so I'll just slip out before then. No reflection on your session. :-)

[Apr 15, 10:07 AM] Amy M. Burns: :)

[Apr 15, 10:07 AM] Charlotte Drinnan: I am using Microsft Teams with my school - they have signed us up and all our students are in it. I have tried to link Flipgrid in as an App to Teams but have had trouble doing the 'Connections' for one of my Teams - that team is a 'Classroom' type Team. 'Connections' was available in all Teams except the Classroom sort - not sure what's happening?

[Apr 15, 10:08 AM] Bek: Will the link to the recorded version of this PD be emailed out to those of us who have attended? I will have to leave a bit earlier as I have a class to supervise, but want to catch up on the end. If not, where can we find the recording?

[Apr 15, 10:08 AM] Rosemary Circo: Thank you for this webinar.

[Apr 15, 10:08 AM] Alex S: Can we touch on how flipgrid works with Google classroom? That is the platform we have to use as a district.

[Apr 15, 10:09 AM] Bev Brockelbank: Bek-yes

[Apr 15, 10:09 AM] Brielle : ok getting it on my phone, but wont work on my chromebook or Laptop... using chrome

[Apr 15, 10:09 AM] Amy M. Burns: Flipgrid works seamlessly with google classroom!

[Apr 15, 10:09 AM] Amy M. Burns: You can share the link (especially the email login) right into google classroom.

[Apr 15, 10:09 AM] martinthomasemo: @charlotte, that's a bit hard to answer right here. I'd ask your IT people at your school, as it sounds like a microsoft teams issue.

[Apr 15, 10:09 AM] martinthomasemo: @bek - yes you will.

[Apr 15, 10:10 AM] Cathy Wainwright: Hi from Sydney

[Apr 15, 10:18 AM] Janelle Festo: In setting it up for my K-5 500 student school, is there any benefit to setting up a separate grid for every grade or class vs setting up one "music" grid for the school and creating topics for each grade? Is it easier for the teachers and or students either way?

[Apr 15, 10:18 AM] Debbie Schultz: Can students share the flip grid as we have privacy issues with some students at our school

[Apr 15, 10:18 AM] Bek: Will it link to Seesaw?

[Apr 15, 10:18 AM] Damon Key: QQ. is there a way to see a weekly submission from all community members?

[Apr 15, 10:19 AM] martinthomasemo: @guest352 yes

[Apr 15, 10:19 AM] Dani melb: can you have unlimited grids

[Apr 15, 10:19 AM] Bek: Does Flipgrid cost?

[Apr 15, 10:19 AM] Amy M. Burns: @karen If freshgrade allows links, you can link to flipgrid

[Apr 15, 10:19 AM] Amy M. Burns: @Bek free!

[Apr 15, 10:19 AM] Bek: yay

[Apr 15, 10:20 AM] Dani melb: can you have unlimited grids

[Apr 15, 10:20 AM] Sue Webster: What happens if I have an external choir I want to use flipgrid for ie not connected to a school?

[Apr 15, 10:21 AM] Amy M. Burns: @sue the student id option might be what you are looking for

[Apr 15, 10:21 AM] Sheryl Clark: We are asked to Schoology and Google. can I connect Schoology to flipgrid?

[Apr 15, 10:21 AM] Becky Sichak Kauffman: for the student id part do you have to put all the student ids in? So I have 700 students I'd need to put all 700 student in?

[Apr 15, 10:21 AM] Rachel Strong: Young students have an Google email address through my school, but they don't have access to that email. Can I still use the School Email option to get students into a grid?

[Apr 15, 10:21 AM] martinthomasemo: @sheryl yes to schoologloy

[Apr 15, 10:22 AM] Amy M. Burns: @Rachel I would speak to your IT about that.

[Apr 15, 10:22 AM] martinthomasemo: @becky use a CSV file - eg a excel spreadsheet to import.

[Apr 15, 10:22 AM] Jstevens: What option did she recommend for young students?

[Apr 15, 10:22 AM] Dani melb: can you have unlimited grids

[Apr 15, 10:22 AM] Amy M. Burns: @Jstevens the student ID

[Apr 15, 10:22 AM] Sheryl Clark: Thanks for Schoology link

[Apr 15, 10:23 AM] Brielle : Its weird that i can respond to the chat here, as i logged in early, but cannot view the video.

[Apr 15, 10:23 AM] Brielle : so am viewing it on my ipad

[Apr 15, 10:23 AM] Amy M. Jones: do I create a flip code or take the one there?

[Apr 15, 10:23 AM] martinthomasemo: Press play on the video @brielle

[Apr 15, 10:23 AM] Amy M. Burns: @Amy I usually use the one they give me.

[Apr 15, 10:24 AM] Guest7234: I seem to be listening to zoom chat..... and not flipgrid chat? ???

[Apr 15, 10:24 AM] Amy M. Burns: #Grid question: "Not only is Flipgrid free, but there is also no limit to how many Grids, Topics, and Responses for an Educator account. In addition, there is no limit on how many students or participants can join a Grid. We do however have a few small limitations: Student ID Grids have a maximum of 250 students that can be added."

[Apr 15, 10:24 AM] martinthomasemo: @guest7234. Zoom? Unsure what your issues is.

[Apr 15, 10:25 AM] Brielle : Did that martin- says " video unavailable, this video is restricted. try signing in with Gsuite account. am doing it through chrome. never mind. Watchig it on ipad. handy that i kept it right here.

[Apr 15, 10:25 AM] Guest7234: Katie is not talking about flipgrid..... seems to be last week's session

[Apr 15, 10:25 AM] Amy H: Can students download someone else's video or just their own?

[Apr 15, 10:25 AM] martinthomasemo: Try this link @gues7234
<https://midnightmusic.com.au/webinarwatch1>

[Apr 15, 10:25 AM] Amy M. Burns: @Guest7234 refresh the screen?

[Apr 15, 10:25 AM] Charlotte Drinnan: How do you have the videos come in to you on Teams but you want it so that only you, the teacher, can see the video, not the rest of the class watching each other?

[Apr 15, 10:25 AM] Desha Dunnahoe: Does the "download and share" mean the TEACHER can or the STUDENTS can?

[Apr 15, 10:26 AM] martinthomasemo: @charlotte you set that permission. Katie will cover this later.

[Apr 15, 10:26 AM] Charlotte Drinnan: ok

[Apr 15, 10:26 AM] Amy M. Burns: Download and Share: "Allow students to download and share after creating their video"

[Apr 15, 10:26 AM] Desha Dunnahoe: okay. I know I set it, but wondering who the "downloader" is

[Apr 15, 10:26 AM] martinthomasemo: @desha it will download to your downloads folder on your computer.

[Apr 15, 10:27 AM] Bev Brockelbank: How do you duplicate grids?

[Apr 15, 10:27 AM] Jstevens: If you team teach, can two teachers have access to the same students or will each teacher need to create their own grid?

[Apr 15, 10:27 AM] Amy M. Burns: @JStevens yes

[Apr 15, 10:27 AM] Amy M. Burns: Two teachers can access a grid

[Apr 15, 10:27 AM] Amy H: Can students download someone else's video or just their own?

[Apr 15, 10:29 AM] martinthomasemo: @amy Technically they could capture the video for their own (evil) usage, but within flipgrid, No, if you set that.

[Apr 15, 10:30 AM] Debbie Schultz: what are the video limits when adding it to focus

[Apr 15, 10:31 AM] Amy M. Burns: @Debbie I just created a topic video focus yesterday of an accompaniment track for distant learning and the video went 4:38.

[Apr 15, 10:31 AM] Leslie : Will the attachment open in a separate window?

[Apr 15, 10:31 AM] Amy M. Burns: @Leslie Yes it will.

[Apr 15, 10:32 AM] Julie C: Yes

[Apr 15, 10:33 AM] Alex S: Is there a way for students to only record audio and not video?

[Apr 15, 10:33 AM] Jon Bines: Are the video file saving sizes comparable with Zoom file sizes, or smaller?

[Apr 15, 10:33 AM] Amy M. Burns: Yes. Have the students use the whiteboard. Katie will talk about this soon.

[Apr 15, 10:33 AM] Kristi: So if the Video Moderation is GREEN, it will be hidden from view, correct?

[Apr 15, 10:33 AM] Amy M. Burns: @Kristi red hand means video is hidden.

[Apr 15, 10:33 AM] martinthomasemo: @jon, they are smaller - but depends on the quality of your camera really.

[Apr 15, 10:34 AM] Janelle Festo: If you have moderation turned on, do you also get to moderate those responses?

[Apr 15, 10:34 AM] Emma Macrae: would I have different grids for different year levels?

[Apr 15, 10:34 AM] Becky Sichak Kauffman: Can you approve some videos and not others? Like for a selective mute student who may sing for you but not someone else?

[Apr 15, 10:34 AM] Guest4774: If you are moderating videos can you release certain ones or will it be all or nothing

[Apr 15, 10:34 AM] Guest4774: Also can you attach audio so they can play with it, and if so will it sync on recording for them, for assessments, etc

[Apr 15, 10:34 AM] Amy M. Burns: @Janelle she was talking about this.

[Apr 15, 10:34 AM] Robyn McQueen: Can you moderate the student-to-student responses?

[Apr 15, 10:35 AM] Guest6358: if that green button is on, then it means they can't see the video??

[Apr 15, 10:35 AM] Janelle Festo: Right, she talked about moderating posts, but I'm asking about moderating responses

[Apr 15, 10:35 AM] Janelle Festo: If you have moderation turned on and you have student-to-student responses turned on, can you also moderate those responses?

[Apr 15, 10:35 AM] Amy M. Burns: @guest4774 Attach the recording as an attachment and it will open in a new tab. T

[Apr 15, 10:36 AM] JC Sable: If the moderation is on, will students see that it is on and know what that means?

[Apr 15, 10:36 AM] Guest4774: Will I then have to show them how to play it and sing for example? how does that happen?

[Apr 15, 10:36 AM] Michael Davis: nice feature

[Apr 15, 10:36 AM] Amy M. Burns: @Guest4774 I show a screen recording of how to do it and my third graders did it this week through distant learning.

[Apr 15, 10:36 AM] Danche Agapieva: Hi from Ontario! Still cold here.....snowflakes were falling down this afternoon!!!!

[Apr 15, 10:37 AM] Jodi Casperaites: Should I make a grid for each one of my classes or a grid for an entire grade level?

[Apr 15, 10:37 AM] Amy M. Burns: @Jodi Depends on your goals, students, and teaching situation.

[Apr 15, 10:37 AM] Natasha Mazarky: When videos are moderated, how can students be enabled to see their own submitted project?

[Apr 15, 10:38 AM] Amy M. Burns: @Natasha They will see it when you approve it

[Apr 15, 10:38 AM] Michael Davis: Hi Katie all good

[Apr 15, 10:38 AM] Janelle Festo: Can student-to-student responses be moderated or just videos that are initially posted?

[Apr 15, 10:38 AM] Jodi Casperaites: I teach at 2 schools, they're both K-1 with 6 classes per grade (so 12 K's and 12 1's. Some teachers use Flipgrid already, some do not.

[Apr 15, 10:38 AM] Damon Key: can you copy topics?

[Apr 15, 10:38 AM] Noreen C: Amy, if they go to my.flipgrid.com can they see it there if it's moderated? Or not until after the teacher takes it off moderated?

[Apr 15, 10:39 AM] Natasha Mazarky: @Amy thanks. That's the one thing that stresses my kids on moderated topics... they can't see their submitted work.

[Apr 15, 10:39 AM] Rosemary Circo: All good from California! So appreciative for this webinar.

[Apr 15, 10:39 AM] Danche Agapieva: A

[Apr 15, 10:39 AM] Amy M. Burns: @Noreen They do not know its moderated until their video does not immediately show up. That frustrated my daughter the first time she used it.

[Apr 15, 10:39 AM] Amy M. Burns: @Natasha Mine too!

[Apr 15, 10:39 AM] Guest6358: Do you need to give students the class code to the Grid or the code for the topic??

[Apr 15, 10:39 AM] Noreen C: Amy, my students too - I had a couple record multiple videos because they didn't see theirs

[Apr 15, 10:40 AM] Lynette Newman: Is the student id something we create or their school number?

[Apr 15, 10:40 AM] Amy M. Burns: @Noreen Yes! Me too!

[Apr 15, 10:40 AM] Amy M. Burns: @Lynette Katie showed that you can create one. She used Superman names I believe :)

[Apr 15, 10:40 AM] martinthomasemo: @guest6358 that was covered at the start of this webinar - it's in the handout you'll get at the end too.

[Apr 15, 10:40 AM] Lynette Newman: Thanks

[Apr 15, 10:41 AM] Michele C: We will be to access the rest if we have to leave early?

[Apr 15, 10:41 AM] Margaret Sheneman: Can I set myself up as a student to practice before I send it out to my students?

[Apr 15, 10:41 AM] Guest6358: great! Thanks! She just answered this!

[Apr 15, 10:41 AM] Karen Jones: Thanks team, wish I could stay longer! Gotta go teach my wee class of 5 - 7 year olds! Thanks heaps!

[Apr 15, 10:41 AM] martinthomasemo: @michele, yes you'll get an email in 24 hrs

[Apr 15, 10:41 AM] Amy M. Burns: @Margaret yes

[Apr 15, 10:42 AM] Amy M. Burns: Coming Up! How to record videos!

[Apr 15, 10:42 AM] StaceyCheeseman: I love this! So good for decreasing anxiety in camera shy kids

[Apr 15, 10:42 AM] Michael Davis: this could also work well for drama classes?

[Apr 15, 10:43 AM] Julia1891: can you re-record your video if you don't like it before submitting? can you delete it then re-do it?

[Apr 15, 10:43 AM] martinthomasemo: @michael, this can work with any subject.

[Apr 15, 10:43 AM] Amy M. Burns: @Stacey Yes! My youngest loves the whiteboard to cover her face when she records!

[Apr 15, 10:43 AM] martinthomasemo: @julia1891 yes !

[Apr 15, 10:43 AM] Noreen C: Amy, I'm using it for recorder karate. Sometimes the image is reversed and it looks like they're using their right hand on top. I can tell if they're wearing a t-shirt with words on it. Do you know why that happens?

[Apr 15, 10:43 AM] Karen - Texas A: can these little recordings be downloaded and then combined in imovie?

[Apr 15, 10:44 AM] martinthomasemo: @noreen, that's a camera settings for your computer. Common with iOS videos.

[Apr 15, 10:44 AM] Julia1891: thanks Martin

[Apr 15, 10:44 AM] Dani: can you moderate singular videos or is it just the whole class?

[Apr 15, 10:44 AM] Amy M. Burns: @Noreen it happens in Zoom for distant learning as well. If we cannot mirror the screen, and I do not believe you can, then it flips it.

[Apr 15, 10:44 AM] Amy M. Burns: @Dani singular videos

[Apr 15, 10:44 AM] Jon Bines: Hi, will certificates be emailed and still come if we have to leave early?

[Apr 15, 10:45 AM] martinthomasemo: @jon, yes

[Apr 15, 10:45 AM] Noreen C: I appreciate the answers to my questions, Amy. Thanks!

[Apr 15, 10:45 AM] Amy M. Burns: @Noreen :)

[Apr 15, 10:46 AM] Noreen C: I need to tell them all to wear shirts with words on them when they record their recorder karate songs!

[Apr 15, 10:46 AM] Amy M. Burns: @Noreen Yes!

[Apr 15, 10:46 AM] martinthomasemo: Just amuse yourselves guys!

[Apr 15, 10:46 AM] Rosemary Circo: no worries..

[Apr 15, 10:46 AM] martinthomasemo: We all doing okay out there?

[Apr 15, 10:46 AM] Emily Cameron: Coffee time! haha

[Apr 15, 10:46 AM] Karen: yes

[Apr 15, 10:46 AM] Lauren Schmitt: Doing great!

[Apr 15, 10:46 AM] martinthomasemo: You-awww!

[Apr 15, 10:46 AM] Rosemary Circo: doing great.

[Apr 15, 10:46 AM] Michelle Di Camillo: All good

[Apr 15, 10:46 AM] Charlotte Drinnan: going great!

[Apr 15, 10:46 AM] Douglas A Clayton: I keep getting video available This video restricted

[Apr 15, 10:46 AM] Guest8336: yes

[Apr 15, 10:46 AM] Jennifer Bowler: :) It's nice to know we're not alone

[Apr 15, 10:46 AM] Diana Wu: Would Flipgrid be useful for teaching instrumental music students?

[Apr 15, 10:46 AM] Karinsa Moline: Was finally able to log in to chat, thanks!

[Apr 15, 10:46 AM] Sally G: Love the tshirt tip for recorders. Thanks.

[Apr 15, 10:46 AM] Douglas A Clayton: Can't Get in

[Apr 15, 10:47 AM] martinthomasemo: @douglas - to watch the video? try refreshing your browser?

[Apr 15, 10:47 AM] Katreed: Doing great. Thanks so much for this!

[Apr 15, 10:47 AM] Douglas A Clayton: ok thanks

[Apr 15, 10:47 AM] Jon Bines: Ive been having solo performance videos submitted thru Office 365 Videos and also using Teams assignments but I like the way this could be used for students to respond to each other and also load up directly from a smart phone easily as some of my students dont have working camera on their computers

[Apr 15, 10:48 AM] Amy M. Burns: @Jon Yes!

[Apr 15, 10:48 AM] Wendy N: As far as the video recorder function goes, is there any noticeable difference between Loom and Flipgrid? I don't want to set up tasks on Google Classroom and then have to set it up a second time on the Flip-'grid'. Feels like a double up.

[Apr 15, 10:48 AM] Douglas A Clayton: nope no luck

[Apr 15, 10:49 AM] Douglas A Clayton: I guess i will have to catch the replay tomorrow

[Apr 15, 10:49 AM] martinthomasemo: @douglas, are you using chrome?

<https://midnightmusic.com.au/webinarwatch1>

[Apr 15, 10:49 AM] Amy M. Burns: @Wendy Loom, which I love, I use for screen videos. But. Flipgrid can do more than just screen videos (which Flipgrid can do now!)

[Apr 15, 10:49 AM] Douglas A Clayton: tried it no go

[Apr 15, 10:49 AM] Sharon Robinson: I don't have the 'add more' button after doing the video.

[Apr 15, 10:49 AM] Amy M. Burns: My students use emojis for selfies all of the time!

[Apr 15, 10:50 AM] Amy M. Burns: @Sharon check the settings...

[Apr 15, 10:50 AM] Douglas A Clayton: good mnight

[Apr 15, 10:50 AM] Amy M. Burns: @Sharon it might be disabled?

[Apr 15, 10:50 AM] Jeanna Kzoo MI: could I have kids do lines for a play, submit their lines via video and then edit into a larger video?

[Apr 15, 10:50 AM] Sharon Robinson: Ok thank you Amy.

[Apr 15, 10:50 AM] Brielle : Hi Martin, I think Doyglas is having the same issue as me. same message. Douglas im watching it on my ipad now.Even Iphone, no problem

[Apr 15, 10:50 AM] Amy M. Burns: @Jeanna short answer yes

[Apr 15, 10:50 AM] martinthomasemo: @jeanna, yes you'd need to use another video program to stitch them together. Think if it's worth your time....

[Apr 15, 10:50 AM] Brielle : sorry typos

[Apr 15, 10:51 AM] Jeanna Kzoo MI: what would be a good program that works will with flipgrid for this?

[Apr 15, 10:51 AM] martinthomasemo: @brielle, it's something on your end, we've got 489 watching right now

[Apr 15, 10:51 AM] BillRuswick: can teachers get a download to use with our students?

[Apr 15, 10:51 AM] Karen Lynne: I'm curious about how we can help our students figure out this platform right now as they're not in school and we can't be there to help them. Is there a student 'how to' video?

[Apr 15, 10:52 AM] Lauren Schmitt: @Karen I've walked them through it by screen sharing on Google Meet

[Apr 15, 10:52 AM] Amy M. Burns: @Karen I had my third grade daughter create a screen video of how she uses it and taught it to her classmates through distant learning

[Apr 15, 10:52 AM] Laura from PA: I just made a screencastify for my kids and went through it as if i were them

[Apr 15, 10:52 AM] martinthomasemo: @jeanna - imovie if you're on a mac, or movie maker on a pc. But just warning you, it takes time and effort. Personally I don't think it's the best use of teachers time right now with Covid-19. Focus on stuff you will re-use again once you're back face to face.

[Apr 15, 10:52 AM] Brielle : martin what is the way around that/ have never had this problem before with clicking th e webinar link in my gmail & opening the video. Just want a solution for future.

[Apr 15, 10:52 AM] Renata Lemire: can the videos be from screencastify or only phone?

[Apr 15, 10:53 AM] Karen Lynne: Can students record their screens too?

[Apr 15, 10:53 AM] Jeanna Kzoo MI: my 5th graders are requesting to do their musical play via this so they have closure.

[Apr 15, 10:53 AM] Amy M. Burns: @Karen yes!

[Apr 15, 10:53 AM] Karen Lynne: sweet

[Apr 15, 10:53 AM] martinthomasemo: @brielle, try looking at a youtube video and see if that works? or some other video on websites. That might help.

[Apr 15, 10:53 AM] Amy M. Burns: @Jeanna Your kids can do a successful talent assembly this way as well

[Apr 15, 10:53 AM] Amy M. Burns: Coming up: Flipgrid Shorts!

[Apr 15, 10:53 AM] Guest7234: Martin I only seem to get the instrumental lesson from last week Have refreshed etc. Will it still be sent out as a video to watch?

[Apr 15, 10:54 AM] Noreen C: Amy, will Katie cover how they can record their own screen?

[Apr 15, 10:54 AM] martinthomasemo: @jeanna, it's a great idea. Katie made a blog here about a virtual choir - it's a similar workflow. <https://midnightmusic.com.au/2020/03/dear-music-teachers-please-stop-asking-how-to-create-a-virtual-choir-video/>

[Apr 15, 10:54 AM] Carrie Van Schaick Zugelder: Is there a separate icon to record the screen verses recording on the computer camera?

[Apr 15, 10:54 AM] Brielle : I actually watched a youtube video just before the webinar started, and no problem. Am watching it without issue ob my Ipad and Iphone. Only having an issue on school laptop and school chromebook, both of which ive tried .

[Apr 15, 10:54 AM] martinthomasemo: @guest7234 yes it will be sent out - try this <https://midnightmusic.com.au/webinarwatch1>

[Apr 15, 10:56 AM] Guest7234: No go but I am happy to wait. You guys totally make the world of

music magic!

[Apr 15, 10:56 AM] Noreen C: Amy, what's the best way to have an audio play (for example recorder karate song accompaniment) at the same time the students are playing along with it as they record in flip grid?

[Apr 15, 10:56 AM] Amy M. Burns: What Katie is saying my third graders are doing successfully right now through distant learning.

[Apr 15, 10:56 AM] Amy M. Burns: @Noreen add it as an attachment

[Apr 15, 10:57 AM] Jill Olka: Can I use flipgrid to record a 5 minute lesson for K-2 students, then have a link for students to watch the video from and not actually have them sign into flipgrid? Difficult for little ones.

[Apr 15, 10:57 AM] Noreen C: so it will play as they're recording?

[Apr 15, 10:57 AM] Amy M. Burns: @Noreen they click on the attachment and it opens it in a new tab.

[Apr 15, 10:57 AM] martinthomasemo: @guest7234 the replay will be here

<https://midnightmusic.com.au/replayflipgrid>

[Apr 15, 10:57 AM] Noreen C: Then they have to click back to FlipGrid right?

[Apr 15, 10:57 AM] Amy M. Burns: @Noreen press +, then press play in the other tab, and it records them.

[Apr 15, 10:57 AM] Jeanna Kzoo MI: will we get a copy of the chat for answers to questions? so much info to remember

[Apr 15, 10:57 AM] Rebecca Louise: Are we able to upload MIDI files?

[Apr 15, 10:57 AM] martinthomasemo: @JEanna -yes.

[Apr 15, 10:58 AM] Amy M. Burns: @Noreen mine are still looking at the other tab because Flipgrid is recording them.

[Apr 15, 10:58 AM] Amy M. Burns: @rebecca have not tried.

[Apr 15, 10:58 AM] Noreen C: So it's recording them even though they can't see themselves in the flip grid screen?

[Apr 15, 10:58 AM] martinthomasemo: @rebecca, you could play the midi file in a DAW, and have that in another browser tab - eg soundtrap

[Apr 15, 10:58 AM] Amy M. Burns: @Noreen yes. Just had one submit today.

[Apr 15, 10:58 AM] Noreen C: Amy, I will have to try it out. Oh, she's been listening to us

[Apr 15, 10:58 AM] Amy M. Burns: Coming Up: Ideas ideas ideas!

[Apr 15, 10:59 AM] AnnM: can I check, to make a video for your students you need to go into the student view?

[Apr 15, 10:59 AM] Jeanna Kzoo MI: :)

[Apr 15, 10:59 AM] Guest591: Great help thanks

[Apr 15, 10:59 AM] Amy M. Burns: @AnnM I believe you are asking if you can make a video as a student? Yes.

[Apr 15, 11:00 AM] Noreen C: Mind. Blown. Thanks Amy!

[Apr 15, 11:00 AM] Noreen C: And thanks Katie! You've made my day.

[Apr 15, 11:00 AM] Kristi: When you share a short, do students have to log into Flipgrid to see it, or does it stand alone?

[Apr 15, 11:00 AM] Roz: could the shorts be used to perform one part of a duet and then the student could record their part?

[Apr 15, 11:01 AM] Dani melb: can flipgrid short be used to save and add to seesaw

[Apr 15, 11:01 AM] Clare J: Can you make a video in Flipgrid shorts and then share it outside of flipgrid?

[Apr 15, 11:01 AM] martinthomasemo: @dani and Clare - yes

[Apr 15, 11:01 AM] Karinsa Moline: Great!

[Apr 15, 11:01 AM] Karen Lynne: thumbs up!

[Apr 15, 11:01 AM] Rosemary Circo: great here.

[Apr 15, 11:01 AM] Sharon Elisabeth: Great!

[Apr 15, 11:01 AM] Stepk Khoury: :)

[Apr 15, 11:01 AM] Amy M. Burns: @Roz I am wondering what she just said, using the shorts as a duet, might work.

[Apr 15, 11:01 AM] Stacey Swan Begg: great! Creating one as I follow!

[Apr 15, 11:01 AM] Renata Lemire: great

[Apr 15, 11:01 AM] A: Doing great. Following fine!

[Apr 15, 11:01 AM] Michael Davis: Loving the webinar

[Apr 15, 11:01 AM] Amy M. Burns: Shorts I believe is a stand alone.

[Apr 15, 11:01 AM] Heloise Meisel: Double thumbs up!

[Apr 15, 11:01 AM] Elizabeth Moore: Doing great! You are amazing!!

[Apr 15, 11:02 AM] Guest1069: This is awesome!! Thank you for being so detailed!!

[Apr 15, 11:02 AM] Guest6358: so I could post a short right in Microsoft TEAMS?

[Apr 15, 11:02 AM] Jane L: Really great 🍌 🎵

[Apr 15, 11:02 AM] Jill Olka: She just answered my question. Only need to log in if students are recording back. They can still see my video.

[Apr 15, 11:02 AM] martinthomasemo: @guest6358 yes

[Apr 15, 11:02 AM] Amy M. Burns: Guest6358 Flipgrid is owned by Microsoft so yes!

[Apr 15, 11:02 AM] Guest6358: so helpful!

[Apr 15, 11:02 AM] Amy Olsen: Great!

[Apr 15, 11:02 AM] Rebecca Louise: @martinthomasemo Just confirming, Flipgrid doesn't support a MIDI file upload for students to access and download.

[Apr 15, 11:03 AM] Noreen C: Amy, what's the best way to get feedback to students? Our younger students don't use their emails. If I record video feedback, they would then need to know to go into my.flipgrid.com to see, correct? Can they also see written comments there?

[Apr 15, 11:03 AM] Maureen: Doing fine

[Apr 15, 11:03 AM] Julia1891: how long are videos kept?

[Apr 15, 11:04 AM] martinthomasemo: @rebecca, not that I can see right now. Would have to do some digging.

[Apr 15, 11:04 AM] Amy M. Burns: @Noreen I have left written comments, but I believe that only teachers can leave written. But, you can have students use the whiteboard to record and write notes to their classmates.

[Apr 15, 11:04 AM] Noreen C: I'm wondering about my feedback only, either in comments or video, and how to get them to see it.

[Apr 15, 11:05 AM] Amy M. Burns: @Noreen Can they login to see the feedback?

[Apr 15, 11:05 AM] Natasha Mazarky: That sticker trick is GENIUS!

[Apr 15, 11:05 AM] Amy M. Burns: Love Katie uploaded the guitar sheet as a sticker!

[Apr 15, 11:05 AM] Guest6358: love that so much!!

[Apr 15, 11:05 AM] Jennifer Bowler: Such a great idea!

[Apr 15, 11:05 AM] Jeanna Kzoo MI: me too!

[Apr 15, 11:05 AM] Amy M. Burns: Wait for the next example. It will blow your mind!

[Apr 15, 11:06 AM] Guest6358: can't wait! lol

[Apr 15, 11:06 AM] Marina Powell: How is copyright affected with sheet music etc?

[Apr 15, 11:06 AM] Guest4117: This side by side is great for drama with script work!

[Apr 15, 11:06 AM] Noreen C: I believe they can see the video response from me if they go to my.flipgrid.com, but I don't know if they can see written feedback. Wondering how people who are using it regularly are getting their students in the habit of looking back to see feedback.

[Apr 15, 11:07 AM] martinthomasemo: @marina, same considerations as copyright in your school, and using videos. You need to ensure you have the digital rights use.

[Apr 15, 11:07 AM] Natasha Mazarky: WHAT! I'm using that!!!
