[Apr 9, 10:11 AM] Kim Gardiner: We use Compass at our school

[Apr 9, 10:11 AM] Bronwyn Pape: And Teams

[Apr 9, 10:11 AM] Bronwyn Gibson : I wish seesaw was compatible with audio files :/

[Apr 9, 10:12 AM] Nix: We use Compass too but use teams for online resources

[Apr 9, 10:12 AM] Guest3485: We are using google meet.

[Apr 9, 10:12 AM] Julia4066: has the PD on canvas happened yet?

[Apr 9, 10:12 AM] Sam Collins: Google Classroom for us – and we have had to build our own google site to hold the content. No video conferencing for us at the moment – P-6 school

[Apr 9, 10:12 AM] Brigitte Fox: I teach P-12... we're using SeeSaw for Primary and GoogleClassroom for Secondary

[Apr 9, 10:12 AM] laurabnj: Microsoft owns Skype, doesn't it?

[Apr 9, 10:12 AM] Guest981: Which session should we find for previous tech stuff covered?

[Apr 9, 10:12 AM] martinthomasemo: @julia4066, yes I think it has... I'll double check.

[Apr 9, 10:12 AM] Sue Hi there: we are using webex

[Apr 9, 10:12 AM] Nix: Zoom has personal security issues and our state Dept of Ed has said no

[Apr 9, 10:13 AM] Sam Collins: Sam Nix – Vic

[Apr 9, 10:13 AM] martinthomasemo: Yes microsoft owns skype.

[Apr 9, 10:13 AM] Desley: My school is using SharePoint.

[Apr 9, 10:13 AM] Nix: Yep I'm Vic too

[Apr 9, 10:14 AM] Kim Gardiner: My instrumental will be via Zoom and my staff are using Zoom or Skype

[Apr 9, 10:14 AM] martinthomasemo: @nix Zoom issues can be resolved. Was talked about yesterday and the day before. No problem if you use a password and lock it down. Quite an unfortunate reaction. Zoom have also done a pile of updates over the last 5 days.

[Apr 9, 10:14 AM] Bronwyn Gibson : Most Tassie schools are using Canvas. My school is also using google classroom for 3-6 and Seesaw for k-2

[Apr 9, 10:14 AM] louise in Dubbo : Zoom is OK if you log in via school platform. Not as an individual.

[Apr 9, 10:14 AM] Deanna Friesen: Has anyone used the breakout rooms in Zoom for sectional practice?

[Apr 9, 10:15 AM] Nix: hey martin – doesn't change the statement by our dept of Education

[Apr 9, 10:15 AM] Megan Hudson: Asynchronous is also much more sustainable long term!

[Apr 9, 10:15 AM] Nix: but thanks

[Apr 9, 10:15 AM] Kathryn: As an RFF teacher I have been told that I

have to schedule my lessons at the usual times so the classroom teachers can take that 2 hour timeslot as their RFF time

[Apr 9, 10:15 AM] martinthomasemo: @louise in Dubbo. (is that a place?) Zoom is fine for anyone. AS long as you use basic security settings.

[Apr 9, 10:15 AM] Guest7434: break out doesn't work well in singing because of the time delay

[Apr 9, 10:15 AM] martinthomasemo: @nix, yes that's true. I feel for you.

[Apr 9, 10:16 AM] Deanna Friesen: Thanks guest 74434 I haven't gotten to that point yet so good feedback

[Apr 9, 10:16 AM] martinthomasemo: @deanna – delay will always happen when trying to run a rehearsal with everyone making music at the same time. It just can't happen like that – check out katie's workshop yesterday for instrumental teachers for ideas in how to do it well.

[Apr 9, 10:16 AM] Nix: Hey Martin, IT also suggested Zoom owns all video images – definitely not ok if that's true

[Apr 9, 10:17 AM] martinthomasemo: @julia4066,, sorry not yet. She has that on pause and made these three webinars instead!

[Apr 9, 10:17 AM] Felicity: My school has only provided me with an iPad. Is this enough technology to deliver online teaching? I have already found limitations with Microsoft Teams.

[Apr 9, 10:17 AM] martinthomasemo: @nix, just like every other online platform we use.....

[Apr 9, 10:17 AM] Bronwyn Gibson : Yes we have to do activities that can be online, off line paper based and at school for the students whos parents need to work

[Apr 9, 10:17 AM] Nathan: THANK YOU! Reinforcement and practice is key!

[Apr 9, 10:17 AM] Julia4066: thanks, I'm assuming we will be notified when it does eventually happen :)

[Apr 9, 10:17 AM] Sam Collins: Reinforcement and practice for 10 weeks?

[Apr 9, 10:17 AM] Lauren Fairbairn: I agree. Reinforcement is so important and what we are going for with my school.

[Apr 9, 10:17 AM] martinthomasemo: @felicity, it's better than an android phone! but microsoft teams is also a limiting platform.

[Apr 9, 10:18 AM] martinthomasemo: @julia4066, yes. If you're in the midnight music community, you can ask directly to katie about when it will happen. I don't know right now.

[Apr 9, 10:18 AM] Ali Caldwell: Our primary outcome at this moment is to increase children's wellbeing

[Apr 9, 10:18 AM] Tim Barker: New learning is unavoidable and necessary I have found, especially having been in 'this zone' for over a month

[Apr 9, 10:18 AM] Guest2100: could you speak to the copyright implications with sharing other people's content?

[Apr 9, 10:19 AM] laurabnj: re: ready-made content – I believe "why reinvent the wheel?" If it's good, use it ! That's why people share !

[Apr 9, 10:19 AM] Guest695: I agree with Ali, we need to increase children's wellbeing!

[Apr 9, 10:19 AM] martinthomasemo: @guest2100, you should check with

your school/country copyright. just like you do when you show a video in your classroom.

[Apr 9, 10:19 AM] Ingrid: Is it possible to curate Youtube videos?

[Apr 9, 10:19 AM] Sally Robertson: Yes I agree about the copyright question, what are the implications there?

[Apr 9, 10:19 AM] Nix: yes you can do a youtube playlist

[Apr 9, 10:19 AM] martinthomasemo: @ingrid, yes into a playlist, which you can share.

[Apr 9, 10:19 AM] Kim Gardiner: @Sam Collins I am planning on using the idea of the Music Olympics that Katie brought up the other day for Instrumental. I am also doing Bingo style activities and point systems for tasks

[Apr 9, 10:19 AM] Bronwyn Gibson : Yes students well being is the most important thing right now :)

[Apr 9, 10:20 AM] Natalie I: excitement is infectious!

[Apr 9, 10:20 AM] Gina Sullivan: Katie just went silent on my end!

[Apr 9, 10:20 AM] Bronwyn Gibson : Gina I can still hear her

[Apr 9, 10:20 AM] John: Forgive my ignorance, but what is youtube playlist?

[Apr 9, 10:20 AM] martinthomasemo: @gina, refresh your page maybe? or check the audio with itunes?

[Apr 9, 10:20 AM] Gina Sullivan: Just refreshed...she's back

[Apr 9, 10:21 AM] Guest8363: Bronwyn, move your mouse

[Apr 9, 10:21 AM] Rachel Bryan: i am in Tassie too Bronwyn Gibson and using Seesaw across Prep – 6

[Apr 9, 10:21 AM] Bronwyn Gibson : @Rachel – have you found a way to upload audio files???

[Apr 9, 10:22 AM] Kim Gardiner: I love Kaboom Percussion! I think I want to get them to my school when this is all over!

[Apr 9, 10:22 AM] Sam Collins: John, When you log into to youtube you can create playlists. When you see a video that you think fits, you have the option to save the link and group different types of videos together.

[Apr 9, 10:22 AM] John: Sam, thanks!!

[Apr 9, 10:23 AM] Becky Lieske Bongard: when you create and upload your own youtube videos, make them "unlisted".

[Apr 9, 10:24 AM] Lucianne: Tried a video of setting up a musescore composition yesterday ... it worked but was too big to upload to my normal platform ... I'll know better next time.

[Apr 9, 10:24 AM] John: Becky, thanks

[Apr 9, 10:24 AM] Emma : The

[Apr 9, 10:24 AM] 4125 Morning : Is that using google slides?

[Apr 9, 10:24 AM] Rachel Bryan: @Bronwyn I am actually putting all content and lesson materials onto a Google Site and sharing that into each classes' seesaw journal. I am finding Google Sites incredibly easy to manage at this setup stage very easy to upload and manage multimedia

[Apr 9, 10:24 AM] martinthomasemo: @lucianne, often a good idea to split into 2 or 3 parts. that helps if you make a mistake too. Keep them to 1min each!

[Apr 9, 10:25 AM] Natalie I: love it

[Apr 9, 10:25 AM] Guest7971: How did you do that again?

[Apr 9, 10:25 AM] Kim Gardiner: @Lucianne If you can't upload to your platform, upload it on YouTube as an unlisted video

[Apr 9, 10:25 AM] Sam Collins: Rachel – same, but our sharing platform as classroom for whole school.

[Apr 9, 10:25 AM] martinthomasemo: @guest7971 who was your question too?

[Apr 9, 10:25 AM] Felicity: Which program is Katie using for teaching a simple song?

[Apr 9, 10:25 AM] Bronwyn Gibson : @Rachel – thanks. I'll have to look into it!

[Apr 9, 10:25 AM] Chris Ramm : how do you record what is on your screen while you sing along?

[Apr 9, 10:25 AM] Rachel Bryan: Oh Wonderful to hear Sam. I wasn't sure if anyone else was going that way

[Apr 9, 10:25 AM] Emma: The lyrics would work well for me, we have a deaf facility at my school !

[Apr 9, 10:25 AM] martinthomasemo: @chris, you're about to find out!!!

[Apr 9, 10:25 AM] Alison Penney: how do you record what is on your screen while you sing along?

[Apr 9, 10:25 AM] Hi from Ontario: What's the maximum amount of time to make a teacher video for uploading relatively fast?

[Apr 9, 10:26 AM] martinthomasemo: @alison, you're about to find out

[Apr 9, 10:26 AM] Rachel Bryan: I found it a bit difficult to share the seesaw space with other specialist teachers and classroom teacher so this option is easy

[Apr 9, 10:26 AM] Jenny: Thanks for this Katie, good to know!

[Apr 9, 10:26 AM] Sam Collins: RAchel – Got the goole sites down, but still know very little about classroom

[Apr 9, 10:26 AM] Guest5903 Susan: Great to hear we will discuss uploading video. I battled with YouTube Channel this week.

[Apr 9, 10:26 AM] Sam Collins: I want to know that too Allison

[Apr 9, 10:26 AM] martinthomasemo: @hi from ontario, use Loom – which katie will talk about. Also depends on your internet speed. Research shows that videos are most effective 1–3min long (I'm doing a PHD in this).

[Apr 9, 10:26 AM] Mary Thorpe: copyright is not generally an issue for sharing content in Australian schools

[Apr 9, 10:27 AM] Hi from Ontario: Thanks Martin

[Apr 9, 10:27 AM] Rachel Bryan: I haven't used classroom before. My intention is to record a quick welcome video each day and put that on LMS seesaw with the link to website

[Apr 9, 10:27 AM] Leanne Delly Vic: Hi Mary Thorpe:)

[Apr 9, 10:27 AM] Rachel Bryan: direct back to seesaw to upload check in activity

[Apr 9, 10:27 AM] Sam Collins: Rachel – Same

[Apr 9, 10:27 AM] Bronwyn Gibson : I've tried to use Loom and flipgrid to record audio from a smart notebook file. System sound is on but the video comes out with no Audio. :(

[Apr 9, 10:27 AM] Brigitte Fox: Agree with Martin... vids should be a similar length to the length of our "direct teaching" time in a normal situation... long enough to describe, explain, demonstrate the task – then let them have at it

[Apr 9, 10:27 AM] Mary Thorpe: Hi Leanne!

[Apr 9, 10:27 AM] Love Singing: can you keep us updated when your research is finished about the 1–3min vido topic. I'd be really

interested in this. It follows on from some other PD I did.

[Apr 9, 10:27 AM] Rachel Bryan: So refreshing to hear of people on that same page Sam

[Apr 9, 10:28 AM] Mary Thorpe: Katie W – fabulous!

[Apr 9, 10:28 AM] Julia4066: what is incredibox?

[Apr 9, 10:29 AM] martinthomasemo: Ah, follow [www.martinthomasemo.com](http://www.martinthomasemo.com). My PHD is on teachers using music technology, and how that fits with their beliefs on music education. The length of videos – the short version, is a pile of people have done research. most of it says 1–3mins. message me via my website and I can send you some links.

[Apr 9, 10:29 AM] Mary Thorpe: Increibox is a great sequencing, acapella program by Bobby Mcferrin. Sooooo fun

[Apr 9, 10:29 AM] Sam Collins: Julia4066 – Only the best game for the kids ever! Great composition tool. Kids LOVE it!

[Apr 9, 10:29 AM] martinthomasemo: @julia4066 <https://www.incredibox.com/> – and there is a great lesson plan in midnight music.

[Apr 9, 10:30 AM] martinthomasemo: @julia4066 <https://midnightmusic.com.au/2014/09/using-incredibox-to-introduce-remixing/>

[Apr 9, 10:30 AM] Bronwyn Gibson : Increibox is amazing. So much fun across lots of ages!

[Apr 9, 10:30 AM] Julia4066: thanks, I'll have to check it out

[Apr 9, 10:30 AM] Michelle Di Camillo: Love Increibox

[Apr 9, 10:30 AM] Natalie I: can u screencast on an ipad which is where I have increibox? i had trouble filming...

[Apr 9, 10:30 AM] Sam Collins: I have trouble with Loom and getting the volume recorded. Not sure why. Seems to happen intermittently.

[Apr 9, 10:30 AM] Nathan: Increibox is great!

[Apr 9, 10:30 AM] GuestLisa: when we use loom or screencastify does the student need to have these to open the links.

[Apr 9, 10:30 AM] Mary Thorpe: thanks..I'll add that to the 10000 tabs I have open

[Apr 9, 10:30 AM] martinthomasemo: @guestlisa – no it's just a URL – like any website.

[Apr 9, 10:31 AM] martinthomasemo: @sam – do you use an external mic – that will help.

[Apr 9, 10:31 AM] martinthomasemo: @natalie – use the Loom app to do that on an ipad.

[Apr 9, 10:31 AM] Phil Pegler: Love Loom

[Apr 9, 10:31 AM] Guest686: Piano sounds terrible recorded on my PC for Loom

[Apr 9, 10:31 AM] Chris Spencer: not sure if anyone has mentioned .Screencastify free at moment for a year with code CAST\_COVID you sign up for ultimate and add code there

[Apr 9, 10:31 AM] Nix: me too mary!

[Apr 9, 10:32 AM] Rose Fearon: Is there issues posting Screencastify videos between personal and buisness/school accounts?

[Apr 9, 10:32 AM] Natalie I: @martin. ok thanks

[Apr 9, 10:32 AM] martinthomasemo: @chris the same for loom too.

[Apr 9, 10:32 AM] Bronwyn Gibson : Should Loom or Screencastify record Audio off any program on your computer if System sound is turned on???

[Apr 9, 10:32 AM] Chris Ramm : Can you share videos from Loom to

Dojo easily?

[Apr 9, 10:32 AM] martinthomasemo: @rose - I'd only send via email from a school account.

[Apr 9, 10:32 AM] martinthomasemo: @Chris R - yes it's just a url, so it can go anywhere!

[Apr 9, 10:32 AM] Rose Fearon: ta

[Apr 9, 10:32 AM] Chris Ramm : OK thanks

[Apr 9, 10:33 AM] Ali Caldwell: Haha Mary Thorpe - me too!!!

[Apr 9, 10:33 AM] martinthomasemo: @bronwyn ah - you can enable computer sound or just mic - it's a drop down menu.

[Apr 9, 10:33 AM] theraindropper: i have a teaching colleague that would like to join. is it too late. she'd like to watch the rerun tomorrow morning....

[Apr 9, 10:33 AM] martinthomasemo: @bronwyn, as you can see right now on the live video

[Apr 9, 10:33 AM] martinthomasemo: @the rain she can join yes!

[Apr 9, 10:33 AM] ElizabethTindall: Is it possible to share a read-only/view-only version of a Loom video?

[Apr 9, 10:34 AM] Bronwyn Gibson : @martinthomasemo I have done that.... tried to record out of Smart Notebook and sound is blank :(

[Apr 9, 10:34 AM] Felicity: Loom looks great can this you make a video just on iPad?

[Apr 9, 10:35 AM] martinthomasemo: @elizabeth it's just a video, so they watch it, they can only edit if they download and put into a video editing.

[Apr 9, 10:35 AM] Ali Caldwell: Flip camera good for mirroring though

[Apr 9, 10:35 AM] Sally Robertson: yesssss such a good tip Katie about Flip Camera!!!!

[Apr 9, 10:35 AM] martinthomasemo: @felicity, yes, but not as many options as desktop zoom option.

[Apr 9, 10:35 AM] Adele King: Flip camera needs to be off if teaching body percussion too!

[Apr 9, 10:35 AM] Michelle Di Camillo: Watched Chris Martin playing the other day and found it so weird that the piano was the wrong way around.

[Apr 9, 10:35 AM] Kath McG: Listen to this one folks. Flip that camera!!! Personal experience with year 7 keyboard class. Hilarious if you dont flip the camera

[Apr 9, 10:35 AM] martinthomasemo: @bronwyn, look at the loom help on the website, they have some great tips.

[Apr 9, 10:35 AM] Nix: thanks adele!

[Apr 9, 10:35 AM] Bronwyn Gibson : Thanks Martin. I will :)

[Apr 9, 10:35 AM] Joanne Johnston: :-)

[Apr 9, 10:35 AM] Sam Collins: Can you change to have your face on or off during your video?

[Apr 9, 10:36 AM] martinthomasemo: @sam yes. and mute your mic too.

[Apr 9, 10:36 AM] Becky Lieske Bongard: I'm so thankful that screencastify has a 10 second countdown!

[Apr 9, 10:37 AM] martinthomasemo: @sam, I use to make screencastify ones with no camera, and no mic, just me doing some things on the screen (usually how to login to a program).

[Apr 9, 10:37 AM] SarahWijngaarden: Can you also trim a screencastify video?

[Apr 9, 10:37 AM] Nix: why would you want to duplicate your video  
[Apr 9, 10:38 AM] Guest2296: You can trim in screencastify.  
[Apr 9, 10:38 AM] martinthomasemo: @sarah, yes but not as easy as Loom. In the end just use what ever you want. But if you don't use anything, start with loom.  
[Apr 9, 10:38 AM] Rose Fearon: edit one, keep original  
[Apr 9, 10:38 AM] martinthomasemo: @nix to save a version before you edit it. Or to have a master with no comments.  
[Apr 9, 10:38 AM] AlisonH: If and how different is the finished window for loom compared to a windows laptop?  
[Apr 9, 10:38 AM] Dianne in OR: @Martin--why Loom over Screencastify?  
[Apr 9, 10:39 AM] Nix: do they own rights to your videos  
[Apr 9, 10:39 AM] Nix: thanks martin  
[Apr 9, 10:39 AM] Alison Penney: I have no admin privilege. Can I get Loom anyway?  
[Apr 9, 10:40 AM] Jules Maree Jurak: Hello Katie,  
[Apr 9, 10:40 AM] martinthomasemo: Quicker to process once you record - 30seconds vs 1 1/2 min to process loom vs screencastify. , more intuitive, one button to download on loom that is just there. never had issues with the sharing link - occasional issue with screencastify.  
[Apr 9, 10:40 AM] Jules Maree Jurak: I have been put on a class as Im still currently teaching. Will this be recorded so I can watch later?  
[Apr 9, 10:40 AM] Lauren Fairbairn: Is there a limit (content amount) for Loom?  
[Apr 9, 10:40 AM] Adele King: @Alison, I'm the same but was still able to get the Loom extension.  
[Apr 9, 10:41 AM] martinthomasemo: @alison, admin for what, for your computer? you can just use the chrome browser version then.  
[Apr 9, 10:41 AM] Jules Maree Jurak: will this be recorded ?  
[Apr 9, 10:41 AM] Sally Robertson: awesome Katie!!!  
[Apr 9, 10:41 AM] Alison Penney: Thanks Martin  
[Apr 9, 10:41 AM] martinthomasemo: @jules yes, and the chat saved, and everything sent out within 24hrs.  
[Apr 9, 10:41 AM] Dianne in OR: @martin--thanks!  
[Apr 9, 10:41 AM] 4125 Morning : Re sharing the video - can you copy and paste the link onto google classroom slide or need every kids email?  
[Apr 9, 10:41 AM] GuestMary: For PC user which is better - Loom or Sceen castify?  
[Apr 9, 10:41 AM] martinthomasemo: @4125 - you can do it either way. it's just a link, paste it wherever you want!  
[Apr 9, 10:42 AM] Sam Collins: Yep - you can add links to classroom in either an assignment or in the feed.  
[Apr 9, 10:42 AM] 4125 Morning : thanks martin  
[Apr 9, 10:42 AM] martinthomasemo: @guestmary, haven't tried loom on pc sorry.  
[Apr 9, 10:42 AM] martinthomasemo: @guestmary, but loom seems like a program that is 2 years newer than screencastify in my opinion.  
[Apr 9, 10:42 AM] Guest9284: Loom worked well for me on PC  
[Apr 9, 10:42 AM] Bronwyn Gibson : What if that option is not there?  
[Apr 9, 10:43 AM] Bronwyn Gibson : the tab audio option that is

[Apr 9, 10:43 AM] martinthomasemo: @brownyn - are you in chrome?  
[Apr 9, 10:43 AM] martinthomasemo: @bronwyn, and you need to add it as a "Add In" - head to the loom website to do it.  
[Apr 9, 10:43 AM] Adele King: Can you stitch multiple videos together in Loom?  
[Apr 9, 10:44 AM] Bronwyn Gibson : yes I am :)  
[Apr 9, 10:44 AM] martinthomasemo: @adele, not yet...  
[Apr 9, 10:44 AM] Guest2734: If we want to. listen this lesson again, where we will find the link?  
[Apr 9, 10:45 AM] martinthomasemo: @guest2734, you'll get an email at the very end. or else here. Elementary/Middle <https://midnightmusic.com.au/replayelementarymiddle> but wait 24 hrs.  
[Apr 9, 10:45 AM] Guest2734: thanks Martin  
[Apr 9, 10:46 AM] Leanne Delly Vic: Could you please provide more detail re: Flipgrid?  
[Apr 9, 10:46 AM] Julia4066: when you save videos to Vimeo, how to you access your own past videos?  
[Apr 9, 10:46 AM] martinthomasemo: @leanne D V - next wed is a Flipgrid webinar.  
[Apr 9, 10:46 AM] Leanne Delly Vic: Thank you Martin :)  
[Apr 9, 10:46 AM] Guest2100: I use viewpure - no weird youtube adds  
[Apr 9, 10:47 AM] martinthomasemo: @julia4066, you go to your account, and the will be there.  
[Apr 9, 10:47 AM] Amanda: The problem with linking to youtube is that because the kids are accessing the links via their department login, it is restricting their access and the videos won't load.  
[Apr 9, 10:47 AM] John: Is it ok to share youtube videos in whatever format one uses? I.e. google classroom, etc?  
[Apr 9, 10:47 AM] Adele King: But many schools (including mine) block YouTube :(  
[Apr 9, 10:47 AM] Julia4066: thanks Martin  
[Apr 9, 10:47 AM] Amanda: Adele - exactly.  
[Apr 9, 10:47 AM] Guest2100: viewpure works and isn't blocked!  
[Apr 9, 10:48 AM] Christina Kampler: @adele can you put your links into "safeyoutube.net"?  
[Apr 9, 10:48 AM] Ann Boyle: Is this for videos I make myself on Youube?  
[Apr 9, 10:48 AM] Adele King: @Christina yes, but it still ultimately links to YouTube.  
[Apr 9, 10:48 AM] Sam Collins: Youtube - I haven't been able to add any of these kid friendly videos to a play list. Is there a way around that?  
[Apr 9, 10:48 AM] Christina Kampler: Gotcha :(  
[Apr 9, 10:49 AM] martinthomasemo: @ann yes, or you can just share them. Youtube is just one platform.  
[Apr 9, 10:49 AM] Rachel Burns: Sam, I bookmark them  
[Apr 9, 10:49 AM] Sam Collins: Good work around.  
[Apr 9, 10:50 AM] Jodianne Smallbon: Can the links for these videos be put into Seesaw? Will it take the children to my video?  
[Apr 9, 10:51 AM] Felicity: Can you save Loom links in Microsoft Teams?  
[Apr 9, 10:51 AM] Dominique Baker: Jodianne, that's what I was wondering...

[Apr 9, 10:51 AM] Julia4066: will students see other students' flip grid videos in flip grid?

[Apr 9, 10:51 AM] martinthomasemo: @felicity - yes. it's just a url.

[Apr 9, 10:51 AM] martinthomasemo: @jodianne, yes any url link.

[Apr 9, 10:51 AM] Helen Duggan: Beware school based controls on youtube. Students only have access to previously approved youtube videos. Doable, but we can't set a browsing task for kids at school.

[Apr 9, 10:51 AM] Brigitte Fox: @Julia4066 - you can toggle that permission on and off :)

[Apr 9, 10:51 AM] martinthomasemo: @julia4066 - depends on the teacher setting.

[Apr 9, 10:51 AM] Judie Whybrow: What is the program to use if you want student to answer questions within the video? Where it stops and doesn't go on til they answer?

[Apr 9, 10:51 AM] Guest7971: Wondering about privacy issues with getting children's videos sent to you?

[Apr 9, 10:52 AM] Ann Boyle: how do you extend the length of video for students?

[Apr 9, 10:52 AM] Jenny Lanyon: Can students upload videos taken on a phone to Flipgrid?

[Apr 9, 10:52 AM] martinthomasemo: @jenny yes

[Apr 9, 10:52 AM] Hi from Ontario: Can you 'lift' the videos from flip grid and edit them into a movie like form?

[Apr 9, 10:52 AM] martinthomasemo: @ann - what do you mean? for youtube longer than 15mins on youtube?

[Apr 9, 10:52 AM] Brigitte Fox: @Judie Whybrow - EdPuzzle is a good platform for that :)

[Apr 9, 10:52 AM] Julia4066: thanks Brigitte and Martin

[Apr 9, 10:52 AM] Guest5286: Are there any security issues with Flipgrid? I'd like to use it, but our school is super hesitant to use 'non Department supported programs'. I have to assure that it is kid appropriate, safe, only I can see responses

[Apr 9, 10:52 AM] martinthomasemo: @hi from O, you can download them. come along next wed!

[Apr 9, 10:53 AM] Emma Macrae: can students see everyone's work on flip grid?

[Apr 9, 10:53 AM] Judie Whybrow: @Brigitte Fox, thanks

[Apr 9, 10:53 AM] martinthomasemo: @guest5286. That's a really narrow view that will take a bit of work to explain what you are trying to do - management often don't think outside of basic word processing and email!

[Apr 9, 10:53 AM] Ann Boyle: Flipgrid seems to default to 90 seconds length

[Apr 9, 10:53 AM] Nix: security an issue for us too

[Apr 9, 10:54 AM] martinthomasemo: @ann - up to 10mins for flipgrid shorts. Come along next Wed!

[Apr 9, 10:54 AM] Alisa P : Interested to know of other teachers who don't have the option of students submitting video files of their learning, or synchronous lessons for junior levels.

[Apr 9, 10:54 AM] Guest5286: OK.. I should maybe break it down. ON Flipgrid, can other students see each others' videos? Can people outside of our class see videos? Or can only I see videos?

[Apr 9, 10:54 AM] 4125 Morning : same question from me

[Apr 9, 10:55 AM] Ali Caldwell: I won't be asking my 420 students to submit videos!!!

[Apr 9, 10:55 AM] Brigitte Fox: @Guest5286 – you can toggle all those permissions in your settings in Flipgrid... overall, as well as for individual topics

[Apr 9, 10:55 AM] martinthomasemo: @guest5286 and 4125 morning. You control who sees what. So it can just be you!

[Apr 9, 10:55 AM] Michelle Di Camillo: @Ali Caldwell I've got 540. Know how you feel.

[Apr 9, 10:55 AM] Guest5286: Thanks!

[Apr 9, 10:56 AM] Grace Hennig: Thank you for this webinar! Your materials have been so helpful!

[Apr 9, 10:57 AM] Hi from Ontario: Maybe can use Eyegaze to manipulate things on the presentation screen.....

[Apr 9, 10:57 AM] martinthomasemo: Hi Ali :)

[Apr 9, 10:57 AM] Michelle Di Camillo: I was at that presentation. I've made so many presentations since then.

[Apr 9, 10:57 AM] Jan S: Will this webinar recording be shared? I missed the whole first part for another online meeting.

[Apr 9, 10:57 AM] Rose Fearon: me too loved this system

[Apr 9, 10:57 AM] Julia4066: I missed the last bit, what is the presentation software please?

[Apr 9, 10:57 AM] Becky Lieske Bongard: @Ali Caldwell and @mMichelle i Camillo, we are going to try having just one grade level submit a video per week.

[Apr 9, 10:57 AM] martinthomasemo: @Jan, yes yes yes.

[Apr 9, 10:58 AM] Sam Collins: Same Ali & Becky. I have 520 as well.

[Apr 9, 10:58 AM] Judie Whybrow: @Julia4066 PowerPoint, google slides or keynote

[Apr 9, 10:58 AM] Rose Fearon: powerpoint

[Apr 9, 10:58 AM] 4125 Morning : using keynote (I think!)

[Apr 9, 10:58 AM] Michelle Di Camillo: Julia, Katie was using Keynote. I do it on Powerpoint.

[Apr 9, 10:58 AM] Julia4066: thanks

[Apr 9, 10:58 AM] AlisonH: What about live demonstrations of written music (like you would on a white board)? Is/What software do you recommend?

[Apr 9, 10:59 AM] katrina: there's a flip grid app for phone/tablet users

[Apr 9, 10:59 AM] martinthomasemo: @alison. With loom recording your screen if you are using notation software. or else a video camera if using a whiteboard in real life.

[Apr 9, 10:59 AM] Judith: Julia – yes – so having a topic which is motivating for everyone to see is great. But you can moderate so you check them before they appear.

[Apr 9, 11:00 AM] AlisonH: @Martin, thank you :)

[Apr 9, 11:00 AM] martinthomasemo: @alison I use to loom myself making compositions on sibelius – keep them short, and then get the students to do the same thing.

[Apr 9, 11:00 AM] Hi from Ontario: Brilliant slide activity!!

[Apr 9, 11:00 AM] Guest7971: yes!

[Apr 9, 11:00 AM] Mary Rumelfanger: That is crazy good...

[Apr 9, 11:00 AM] Julia4066: do you save the slides as a PDF?

[Apr 9, 11:00 AM] Ashleigh Tarling: Can you share the drag and drop slide? Sooooo good

[Apr 9, 11:00 AM] Becky Lieske Bongard: How do you prevent kids from using the wrong slide? This is so neat!

[Apr 9, 11:00 AM] Bronwyn Gibson : We need a google slides Webinar now :)

[Apr 9, 11:01 AM] Sam Collins: Agree Bronwyn

[Apr 9, 11:01 AM] Becky Lieske Bongard: @Bronwyn Gibson: ding ding ding!

[Apr 9, 11:01 AM] Guest4567: How do you lock down the elements in google slides?

[Apr 9, 11:01 AM] John: Cool!! Great idea. :)

[Apr 9, 11:01 AM] Love Singing: Great idea

[Apr 9, 11:01 AM] Christina Kampler: Ohhhh it would be so great for them to sing for the littles!!

[Apr 9, 11:01 AM] Hi from Ontario: Yes a google slide webinar!

[Apr 9, 11:01 AM] Guest7971: Great idea

[Apr 9, 11:01 AM] Guest8795: loved the idea of using Google Sides for student assignments!

[Apr 9, 11:02 AM] Jan S: There's also a Google slides FB group

[Apr 9, 11:02 AM] Bronwyn Gibson : @Jan S – ooooo thank you :)

[Apr 9, 11:02 AM] Becky Lieske Bongard: Google slides fb group?! Oh, the rabbit holes we can go down!

[Apr 9, 11:02 AM] Hi from Ontario: CANVA, is that the correct spelling?

[Apr 9, 11:02 AM] Sam Collins: Yep Canva

[Apr 9, 11:02 AM] Hi from Ontario: Thanks Sam!

[Apr 9, 11:03 AM] Guest4567: canva is fantastic

[Apr 9, 11:03 AM] martinthomasemo: @guest4567 – this looks like a good video about it. <https://youtu.be/jQ10k0lMuHg?t=186>

[Apr 9, 11:03 AM] Mary Rumelfanger: Did you notice the your name insert at the top right of her slide? Great idea.

[Apr 9, 11:03 AM] Sam Collins: Just starting to get my head around Canva. But impressed so far.

[Apr 9, 11:03 AM] Guest5286: Argh! I've got to go to a meeting! Thank you so much. looking forward to the recording :)

[Apr 9, 11:03 AM] martinthomasemo: <https://www.canva.com/>

[Apr 9, 11:03 AM] Sam Collins: Definately Mary! Love the idea

[Apr 9, 11:03 AM] MrT: Has anyone else used Google Draw? Its another good free graphic design web app

[Apr 9, 11:04 AM] Bronwyn Pape: HAhAHAAHA – creating one right now!!

[Apr 9, 11:05 AM] Catriona Turnbull: I get all my best ideas in the shower!

[Apr 9, 11:05 AM] Kaliopi Stavropoulos: One major problem for classroom – is many kids don't have instruments. Any ideas? Yes technology, DAW, singing and percussion. Any other ideas.. I have heard of a piano matt??

[Apr 9, 11:05 AM] Helen Duggan: Me too

[Apr 9, 11:05 AM] Hi from Ontario: The showers that is sooooo true!

[Apr 9, 11:06 AM] Alisa P : <https://podcasts.apple.com/au/podcast/music-teacher-coffee-talk/id1317535612>

[Apr 9, 11:06 AM] Sam Collins: My older kids were just starting piano at school. Thought I might get them to create their own piano keyboard on an A3 piece of paper and they can practice on that.

[Apr 9, 11:06 AM] Bronwyn Gibson : @Kailiopi – my first task that will take 2 weeks of our p-4 students is making their own homemade percussion instruments. That will at least give them 4 different home made percussion instruments to use

[Apr 9, 11:06 AM] Ali Caldwell: @Kaliopi check out Kaboom Percussion – lots of ideas using cups, buckets, chairs, pens etc

[Apr 9, 11:06 AM] Judith: what a lovely idea

[Apr 9, 11:07 AM] Theresa: super fun!

[Apr 9, 11:10 AM] Rachel Burns: thought of creating a printout of recorder holes that could be attached to a ruler for practising quietly at home

[Apr 9, 11:10 AM] Hi from Ontario: Loving Joe's graphics!!

[Apr 9, 11:10 AM] Sam Collins: Rachel – I get the kids to rest their recorders on their chins for quiet practice – harder to police when they are at home.

[Apr 9, 11:11 AM] Rachel Burns: no recorders at home:(

[Apr 9, 11:11 AM] Hi from Ontario: Thanks Martin for all of the links!

[Apr 9, 11:11 AM] Sam Collins: That is the only instrument the kids have 3/4. They are part of their student resources they get at the beginning of the year.

[Apr 9, 11:19 AM] Sam Collins: Great idea Kim!
