[Mar 24, 11:16 AM] Amy M. Burns: @Pat Chrome = web browser; Chromebook = device that runs Chrome as the OS; extensions she is talking about now

[Mar 24, 11:19 AM] RebekahTrevelise: I can install, but then I can sometimes get it to "pin" to the RH corner, and lately, I can't get it - it just "disappears" on me after I add to Chrome.

[Mar 24, 11:19 AM] Amy M. Burns: @Kendall Bass I can use the extensions on a MAC because it is running off the chrome web browser.

[Mar 24, 11:19 AM] Amy M. Burns: @kendall Bass an iPad might be inconsistent with the iOS chrome web browser

[Mar 24, 11:26 AM] Aimee Curtis Pfitzner: GAME changer! :)

[Mar 24, 11:26 AM] Michele: does the speed changer work for any video, even in viewpure?

[Mar 24, 11:27 AM] Amy M. Burns: Michele Good question. Let me check.

[Mar 24, 11:28 AM] Sarah: No more students singing along to tracks that are too low for a developing voice. Yay!!!

[Mar 24, 11:29 AM] Sam Talmage: This is AMAZING! Thank you for transpose - this will be really helpful!

[Mar 24, 11:29 AM] Suzanne Buchko: yeah! '

[Mar 24, 11:29 AM] James Conner: that is fantastic

[Mar 24, 11:29 AM] Rona: Can transpose be used for downloaded videos

[Mar 24, 11:30 AM] Amy M. Burns: @Michele Yes! It works with Viewpure!

[Mar 24, 11:30 AM] Michele: Thanks for checking, Amy!

[Mar 24, 11:30 AM] Amy M. Burns: @Rona It works while you play the video in the chrome web browser

[Mar 24, 11:30 AM] Rona: Thanks!

Super-Useful Chrome Extensions for Music Teachers Chat – Webinar March 2021

[Mar 24, 11:30 AM] Amy M. Burns: @Rona You could screen record while the video is playing in transpose and then you can download it in that new key.

[Mar 24, 11:31 AM] Amy M. Burns: Links to this webinar to find these extensions: <https://wakelet.com/wake/fsqw9wDQ1wVETtpT0N-ZV>

[Mar 24, 11:31 AM] Rona: Wow , that's great!

[Mar 24, 11:33 AM] sebasalik: Will Transpose work on your own YouTube channel? For example, if I've created playalong tracks and uploaded them to my channel, would my students be able to use Transpose to adjust the tempo? If yes, that's huge!!!

[Mar 24, 11:33 AM] Anna: what's the name of the youtube channel Katie's using here? It's awesome

[Mar 24, 11:34 AM] Amy M. Burns: @Sebasalik Yes, as long as the students have the extension on their chrome web browser that they are viewing your videos.

[Mar 24, 11:34 AM] Craig Harmann: ReadyGoMusic

[Mar 24, 11:34 AM] Kim Letellier: So awesome!!

[Mar 24, 11:34 AM] Amy M. Burns: Ready Go Music: https://www.youtube.com/channel/UCYZE_YTgPSib_qW951BNzOA

[Mar 24, 11:34 AM] Craig Harmann: I just used her waltz video with my 7th and 8th graders today!

[Mar 24, 11:35 AM] Amy M. Burns: That is a great way to show the students the rhythm patterns to practice before they perform with the video.

[Mar 24, 11:35 AM] Craig Harmann: It really is!

[Mar 24, 11:36 AM] CJ : Question -- Is there any copyright info that might get music folks into trouble using this?

[Mar 24, 11:36 AM] Eva Kukielka: This is perfect for longer sing along videos...

[Mar 24, 11:36 AM] Amy M. Burns: @CJ Do you mean using this extension?

[Mar 24, 11:37 AM] Tamara Lynn: will this work in VideoLink? Probably not, because if you pause a video, it closes the window. Some schools don't want kids using Youtube...

[Mar 24, 11:37 AM] CJ : @Amy M. Burns -- Yes -- if you save the special 'bits', are you breaking any copyright law using multiple classes?

[Mar 24, 11:37 AM] CJ : sorry -- using it WITH multiple classes?

[Mar 24, 11:38 AM] Kristine Sutkowski McDonald: I love mote with google classroom

[Mar 24, 11:38 AM] Amy M. Burns: @CJ I am not a copyright expert so you can take my answer with a grain of salt. If you are using it for your classroom, then you are probably covered.

[Mar 24, 11:38 AM] Amy M. Burns: Links for this webinar: <https://wakelet.com/wake/fsqw9wDQ1wVETtpT0N-ZV>

[Mar 24, 11:39 AM] Tamara Lynn: Will we get a copy of this comment window? There is great info there!

[Mar 24, 11:39 AM] CJ : @Amy M. Burns -- :) Thanks -- that's what I would say too, but thought I'd check if there is any known issue BEFORE I start using it. ;D

[Mar 24, 11:39 AM] Amy M. Burns: @Tamara That's a good question for Katie. I will make sure to have her address it when she ends.

[Mar 24, 11:44 AM] Amy M. Burns: Loom had written that pandemic it was unlimited length and then 45 minutes post-pandemic, but that might have changed.

[Mar 24, 11:44 AM] sebasalik: Love using Loom! The editing features are really easy to use!

[Mar 24, 11:46 AM] Amy M. Burns: I love using loom to directly video record into gmail

Super-Useful Chrome Extensions for Music Teachers Chat – Webinar March 2021

[Mar 24, 11:47 AM] sebasalik: I like that feature too! The game changer for me has been the ability to make videos of non-web based apps.

[Mar 24, 11:47 AM] Sally Quinnell: Can Loom provide a transcript for the students who may need that?

[Mar 24, 11:47 AM] Bruno Correia: Hello Katie. The Edge browser blocks Loom. I don't know if it's a problem to use Edge on MacOS. :(Does it happen to someone else who is using Edge on MacOS?

[Mar 24, 11:47 AM] Amy M. Burns: Yes Loom just enabled that.

[Mar 24, 11:48 AM] Sally Quinnell: Fantastic! Thanks

[Mar 24, 11:48 AM] Amy M. Burns: @Bruno Do you have the latest Edge Browser?

[Mar 24, 11:49 AM] Amy M. Burns: @Bruno according to Loom's website, you need to have the latest Edge Web Browser, or download the desktop version which works great on a MAC

[Mar 24, 11:51 AM] Bruno Correia: Thanks! I will install the desktop version.

[Mar 24, 11:52 AM] Bruno Correia: I believe I have the latest version of Edge. I have version 89.0 ...

[Mar 24, 11:53 AM] Amy M. Burns: @Bruno Here is the latest version of Edge: Edge on macOS 89.0.774.57 2021-03-19

[Mar 24, 11:53 AM] Bruno Correia: Yes, this is it. Where can I find the option to register with an educational account?

[Mar 24, 11:54 AM] Amy M. Burns: @Bruno <https://www.loom.com/education>

[Mar 24, 11:54 AM] Bruno Correia: Thanks!!

[Mar 24, 11:55 AM] Amy M. Burns: Love Colorzilla!

[Mar 24, 11:56 AM] Amy M. Burns: If you want to install the extension as she is talking about it, here is the Wakelet for this webinar:

<https://wakelet.com/wake/fsqw9wDQ1wVETtpTON-ZV>

[Mar 24, 11:56 AM] Melissa: I use colorzilla for creating pixel art. It's awesome!

[Mar 24, 11:57 AM] Amy M. Burns: Mac: Control Option Space Bar brings up the 

[Mar 24, 11:58 AM] Amy M. Burns: Sorry! Control Command Space Bar

[Mar 24, 11:58 AM] Kassy Jo: For colorzilla does it have to be an online image or can it be a piece of art that you've created via hand and took a picture of?

[Mar 24, 11:59 AM] Dan Maree: Sorry Katie, gotta scoot as period 4 is about to start. Thanks for this :)

[Mar 24, 11:59 AM] Kassy Jo: I'm thinking for my elementary art teacher as well- he would love this for the ability to match up exact colors on his slides.

[Mar 24, 11:59 AM] Amy M. Burns: @KassyJo It does read, "With ColorZilla you can get a color reading from any point in your browser, quickly adjust this color and paste it into another program. And it can do so much more..."

[Mar 24, 12:00 PM] Amy M. Burns: @Kassy Jo It looks like it has to be in the web browser, so if you place the picture in the browser, you should be able to capture the color?

[Mar 24, 12:00 PM] Kassy Jo: Thank you Amy M. Burns!

[Mar 24, 12:01 PM] Melissa: @Kassy Jo, you can take a pic, upload it into a Google slide or doc and use colorzilla there.

[Mar 24, 12:02 PM] Melissa: There are more options for Bitmoji on the app on your phone. I airdrop them to my Mac.

[Mar 24, 12:03 PM] Cynthia: The only time I've had trouble with Colorzilla is when you are trying to find a color from a background I've used on Google Slide. Sometimes it can't find the color.

[Mar 24, 12:05 PM] Kendell Bass: Is this Giphy for Chrome, Gmail, or Search?

[Mar 24, 12:05 PM] Amy M. Burns: @Kendall Giphy for Chrome

[Mar 24, 12:05 PM] Kendell Bass: Thank you Amy.

[Mar 24, 12:16 PM] Amy M. Burns: @Anne I will give the question to Katie at the end.

[Mar 24, 12:16 PM] Sally Quinnell: Good

[Mar 24, 12:16 PM] Sally Quinnell: So excited about how I can use these for my students!

[Mar 24, 12:16 PM] Anne: @Amy thanks! I was thinking that if you wanted to save the sticky drawing, you could screenshot the slide and create a new one with that image as the background

[Mar 24, 12:18 PM] Amy M. Burns: Bongo Cat: <https://bongo.cat/> You're welcome!

[Mar 24, 12:18 PM] Amy M. Burns: I have spent too much time playing with Bongo Cat!

[Mar 24, 12:18 PM] Jane: So many things that I've been wanting to do... Now I have the correct resources!!!! COOL!

[Mar 24, 12:19 PM] Sally Quinnell: Ok, so if you press the space bar for Bongo Cat, will it pause the video? Specific I know, but does your keyboard work for both?

[Mar 24, 12:19 PM] James Conner: i love bongo cat lol

[Mar 24, 12:20 PM] Amy M. Burns: @Sally, technically, if you have clicked into the Bongo Cat screen, then that screen is controlling the keyboard.

[Mar 24, 12:20 PM] Kristine Sutkowski McDonald: Does it slow chrome down if you have all of these tabs saved?

[Mar 24, 12:20 PM] Sally Quinnell: Cool, thanks

[Mar 24, 12:20 PM] Helen Grimmett: You can group tabs directly in chrome now. Not as pretty as this though

[Mar 24, 12:21 PM] Amy M. Burns: @Helen Yes, but does it save like the one she is showing us?

[Mar 24, 12:21 PM] Kassy Jo: what extension did Katie use along with the Bongo Cats? Dualless or Resize? Missed the name.

[Mar 24, 12:21 PM] Donna Janoso: We always have power or internet failures and it takes forever to reopen everything!

[Mar 24, 12:21 PM] Amy M. Burns: @Kristine Listing that question for her to answer

[Mar 24, 12:22 PM] Amy M. Burns: @Donna Janoso I will list that question for the end because her slide was not specific to which ext she was using with bongo cat.

[Mar 24, 12:23 PM] Amy M. Burns: Sorry @Kassy Jo: I will list that question for the end because her slide was not specific to which ext she was using with bongo cat.

[Mar 24, 12:23 PM] Sue Goodfortune McIntosh: OMG Bongo Cat is addictive!!!
